-Amy is currently attending the annual NYSEMA conference from 2/11-2/13 at Embassy Suites, Syracuse.

-January 23<sup>rd</sup> Tabletop exercise was successful. There was a large turnout of County department heads that are very supportive of helping if we have to open our EOC. More training will follow.

-Our office has begun participating in bi-weekly conference calls with NYS OEM and other counties who have Lake Ontario shorelines in hopes of being proactive to the flooding as the lake is higher now than it was all of last year.

-Our office has a meeting scheduled on 2/19 with Fair Haven Mayor, Deputy Mayor and the Town of Sterling Supervisor along with other stakeholders to discuss initial pre-flood planning.

-4<sup>th</sup> quarter 2019 grant reporting has been completed.

-We currently have an RFP 2020-01 out for bid to update our Hazard Mitigation Plan. It will be open until 2/21 at which time all proposals will be reviewed and a potential contract will be brought forward for review and signature at the next committee meeting. This will be funded through a grant that was received by the Emergency Management Office.

-There have been eight candidates interviewed by a panel of personnel for the Deputy Director position. A final decision will be made by 2/14.

-The next Fire Advisory Board meeting will take place on Monday March 9<sup>th</sup> in Caucus Room 1 at 19:00.

-Our Tier 3 Refresher training was completed for the year. We had 25 people in attendance.

-Our office has been receiving and disseminating information regarding the Coronavirus; cautionary memos to first responders.

- **Jay DeWispelaere (Probation) – No updates**
- **Brian Schenck (Sheriff) –**

- Members of the Cayuga County Deputy Sheriff's Police Association (Patrol Union), the Sheriff, and the Legislature reached a proposed bargaining agreement for a term of three years. The proposed agreement will need to be approved and ratified by all of the parties. Utilization of the FIN process worked well for this negotiation.
- We are still scheduled for collective bargaining utilizing Facilitated Intensive Negotiations (FIN) on February 24<sup>th</sup> through the 26<sup>th</sup> with the Sheriff's Employee's Association of Cayuga County (Custody Union). Their collective bargaining agreement expired on December 31<sup>st</sup> of 2018.
- We did reach an agreement with the Deputy Sheriff's Police Association, the Sheriff, and the Legislature relative to the new Special Patrol Officer / Student Resource Officer position that we would like to offer to area school districts. The agreement has been approved by all parties and will allow for the creation of the position.
- The Sheriff and Administrative Staff have been looking at options to update our 556 page policy and procedure manual. With continually changing laws, mandates, and best practices, it is crucial and challenging to maintain current policy and procedure. An electronic version would improve efficiency. Working with an outside provider to maintain our policy would also improve our efficiency but more importantly, limit our liability as our policy would continually be updated utilizing the most recent best practices and immediately incorporating changes to the law. There would be additional cost to move in this direction; however, the cost to utilize staff internally is much greater.
- At the time of this report we are housing 140 inmates in our jail and our unsentenced population has been increasing since January 1<sup>st</sup> when we were holding 126. At the time of this report we are housing 41 Federal board ins, keeping us on target for budgeted inmate revenue this year. We continue to maintain 5 open positions in the jail that are budgeted but not filled. We have learned of an additional retirement pending in the jail that will increase that number to 6.
- We have filled 4 vacant Road Patrol positions and will be sending 5 Road Patrol Deputies to the Fingerlakes Police Academy in Canandaigua beginning February 10<sup>th</sup> for a 26 week academy. This will bring our Patrol Division to full strength.

#### **RESOLUTIONS:**
