

The following municipal matters were submitted to the Committee for consideration pursuant to New York State General Municipal Law §239-l, m, & n:

1. Town of Ira – Site Plan – School

The GML 239-l, m, & n Review Committee carefully considered the materials provided by the Town related to the proposed site plan. Durin the meeting the committee noted their appreciation for the Planning Board in preparing the materials for review. The committee also noted that based on the maps and site plans provided, it is hard to tell the exact placement of the proposed project in relation to the States Wetland Checkzone.

MOTION BY: Kari Terwilliger

The proposal appears to have no intermunicipal concerns and is of local concern only with the following comment:

Verify with the applicant that the placement of the proposed building and driveway are outside of the State Wetland Checkzone.
