

**Become a Certified  
Cayuga County  
Wastewater Treatment  
System Inspector  
2018**

**New Inspector Course:**

March 22nd & 23rd  
8:30am – 4:30pm

**Where:**

Cayuga County Health Dept.  
8 Dill Street  
Auburn, NY

The Cayuga County Wastewater Treatment System Inspector's Certification Course prepares qualified individuals to conduct onsite wastewater treatment system inspections as required under the Cayuga County Sanitary Code.

The Cayuga County Sanitary Code is designed to protect the watersheds and groundwater of Cayuga County. A major component of this code requires that onsite wastewater treatment systems in Cayuga County be periodically inspected. Individuals who attend this certification course and pass the examination may conduct these inspections.

- Please send the following:
