

Cayuga County Development Authority Annual Operations and Accomplishments Report FY 2009

Introduction

The Cayuga County Development Authority (hereinafter called the “CCDC” or the “Authority”) was created in June, 2002 as a Not-For-Profit Local Development Corporation under Section 1411 of the Not-For-Profit Corporation Law of the State of New York, for the purposes set forth in Section 1141(a) of such law and whose formation and operation are exclusively for charitable purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. These purposes are to relieve and reduce unemployment, promote and provide for additional and maximum employment, to create better and to maintain job opportunities within Cayuga County and to and lessen the burden of government and act in the public interest.

The Office of the Agency is located at the Cayuga County Office Building, situated at 160 Genesee Street, 5th Floor, Auburn, NY, 13021.

I. Overview of Operations & Accomplishments

The CCDC continued to operate under its authority in FY2009 with a full Board of Directors and staff provided through the Cayuga County Department of Planning & Economic Development and the Cayuga County Office of the County Treasurer. The Board conducted minimal meetings (meeting on an as-needed basis to conduct business). The CCDC Board meetings when held were public meetings and were posted as such and the meetings included a Treasurer’s Report and a review and approval of previous meeting minutes

During FY2009 the CCDC continued its particular focus on two primary economic development initiatives:

- **Support for Creating an Umbrella Economic Development Organization.** In FY2008 and 2009 the CCDC, along with the Cayuga County Industrial Development Agency (the CCIDA) called for the creation of an umbrella economic development organization that could coordinate and focus County-wide economic development – especially the coordination of efforts between the City of Auburn and Cayuga County ED Teams. Working with existing economic development entities within the County, the CCDC and the CCIDA called for the development of an economic development agency spearheaded by a Board of Directors representing the private sector with minimal but strategic participation and representation by the local governments. This Agency would be developed to provide full-time, private sector driven economic development coordination and collaboration between the existing Industrial Development Agencies and organizations operating within Cayuga County (CCIDA and the Auburn IDA) as well as their respective LDC’s – all while implementing a structured and effective Business Retention and Expansion Program.
 - The CCDC Board and staff played an instrumental role in supporting the effort to develop such an organization in FY09 and now, in early FY10, a new agency called the Cayuga Economic Development Agency – or “CEDA”, has been formed. In FY10 and the coming years, the CCDC will provide support and assistance to this agency including but not limited to:
 - Technical assistance with overall economic development initiatives and project development;
 - Development of a Countywide Strategic Economic Development Strategy (targeted for late 2010 or early 2011);
 - Community Outreach and Networking; and
 - Coordination on establishment of Business Retention and Expansion (BRE) program.

In addition to this focus area, the CCDC also worked with the CCIDA to market economic development services and available incentives and benefits to existing business enterprises and worked to identify opportunities for new business development.

II. CCDC REVENUES AND EXPENSES FY2009

Each year the Cayuga County Industrial Development (“CCIDA”) conducts an independent financial audit of the previous fiscal year and includes in that independent audit an audit of the Cayuga County Development Corporation or CCDC finances as a component part of the CCDC. This format closely reviews and monitors the CCDC finances and reports its findings inside the CCIDA annual financial audit. This arrangement provides a cost effective but vigorous review of the CCDC financial transaction of the previous fiscal year. For the year ended 12/31/2009, the CCDC was again audited as a component unit of the CCIDA. The full audit, including an analysis and overview of the CCDC Revenues and Expenses for the fiscal year, is available both online at the CCDC/CCIDA website (<http://co.cayuga.ny.us/planning/ccida.htm>) and at the CCDC offices, Cayuga County Office Building, 160 Genesee Street, 5th Floor, Auburn, NY 13021.

III. CCDC ASSETS AND LIABILITIES FY2009

As stated above, the CCIDA independent financial audit of the fiscal year ended 12/31/2009 also includes an analysis and overview of the CCDC including its Assets and Liabilities for the fiscal year, which is also available both online at the CCDC/CCIDA website (<http://co.cayuga.ny.us/planning/ccida.htm>) and at the CCDC offices, Cayuga County Office Building, 160 Genesee Street, 5th Floor, Auburn, NY 13021.

IV. CCDC CORPORATION COMPENSATION

The CCDC is located at the Cayuga County Office Building in Auburn, NY and operates with staff support provided by Cayuga County. The primary staff members working with the CCDC on daily operation and administration are the CCDC Executive Director who is also the Director of the Cayuga County Office of Planning & Economic Development and the CCDC Secretary/Treasurer who is also the Cayuga County Deputy Treasurer.

The CCDC Executive Director does not receive any compensation by the CCDC and is paid fully by Cayuga County as Director of Planning & Economic Development. The Executive Director is reimbursed for expenses incurred in the performance of his duties to the CCDC such as mileage, etc.

The CCDC Secretary/Treasurer receives an annual \$10,000.00 payment, through Cayuga County, for services rendered to the CCIDA. The CCDC work completed by the Cayuga County Deputy Treasurer also falls under this responsibility. The CCIDA (not the CCDC) pays this amount to Cayuga County on an annual basis.

In addition to these primary positions, the CCDC receives technical assistance from time to time through Cayuga County. This support assistance is provided at no cost to the CCDC.

V. PROJECTS UNDERTAKEN BY THE CCIDA IN FY2009

Aside from the programming efforts aimed at development of, and support for, a coordinated County-wide, private sector economic development agency, the CCDC did not undertake any stand alone projects in FY2009. In addition to this coordinated economic development initiative, the CCDC also engaged in the following activities:

- Coordination with the CCIDA on development of the Aurelius Industrial Park infrastructure project;
- Staff review, analysis and discussion of the Authority’s Loan Program Policy Guidelines;
- Coordination and interaction with the Cayuga-Cortland Workforce Investment Board and overall workforce development initiatives;
- Review and Assessment of CCDC Internal Controls;
- Staff Review and Assessment of County-wide infrastructure needs, including investigation of new industrial park sites in proximity to major transportation corridors and rail lines;
- Participation in New York State Economic Development Council (NYSEDC) ongoing seminars and conferences on economic development best practices;
- Outreach to Central New York Higher Education institutions to promote technology transfer and commercialization;
- Exploration of underutilized industrial lands within Cayuga County and outreach for redevelopment of industrial assets;
- Coordination and networking with Cayuga County small business concerns and manufacturing clusters; and

VI. CCDC PROPERTY OWNED AND/OR DISPOSED OF FY2009

The CCDC does not own any real property.

VII. CCDC Code of Ethics

The CCDC adopted a Code of Ethics on September 18, 2007 that established a high level of ethical conduct the Board of Directors, staff and associates for the Authority to adhere to. This adopted Code of Ethics is reviewed annually by the Board of Directors and is posted online at the CCDC/CCIDA website: <http://co.cayuga.ny.us/planning/ccida.htm> and is available at the CCDC offices. A copy of the adopted Code of Ethics is provided below:

Approved and adopted on the 18th day of September 2007.

VIII. Assessment of the Effectiveness of CCDC Internal Controls

As discussed previously, the CCDC is audited annually as a component unit of the CCIDA. In FY2009 the CCDC was reviewed under the independent financial audit of the CCIDA. The CCDC component review of the financial statements is the responsibility of CCDC management and the Board of Directors. These combined/component statements are prepared in accordance with accounting principles generally accepted in the United States of America. Financial information contained in the report and in the related, cited materials at the CCDC offices and online at the CCDC/CCIDA website is consistent with the FY2009 financial statements.

CCDC has established an Internal Control Structure and the CCDC Board of Directors conducts an annual review and assessment of its Internal Controls and part of the combined/component independent audit of the CCIDA/CCDC. The objectives of the CCDC Internal Controls and Structure is to provide reasonable assurance as to the protection of and accountability for assets, compliance with applicable laws and regulations, proper authorization and recording of transactions and the reliability of financial records for preparing financial statements. The Internal Control Structure is subject to periodic review by CCDC/CCIDA independent auditors in addition to the review by the Board and management.

The CCDC Board and management are committed to an ongoing assessment of the control structure and are focused on the following continuous improvements:

- Timely compliance with PAAA and new PARA throughout the fiscal year, including communication with CCDC independent auditors and general counsel to bring the Authority in to a structured review and audit schedule ensuring full and timely compliance with statutory compliance, public reporting and transparency;
- Cross training of Agency staff on PAAA and the new PARA and financial reporting requirements to establish checks and balances for meeting full compliance with scheduled reporting.

IX. CCDC INVESTMENT REPORT

Deposits and Investments

State statutes govern the Authority's investment policies. In addition, the Authority adopted its own written Investment Policy on September 18, 2007. Authority monies must be deposited in FDIC insured commercial banks or trust companies located within the State. The CCDC Treasurer is authorized to use demand accounts and certificates of deposit. Permissible investments include obligations of the U.S. Treasury and obligations of New York State and its localities.

Collateral is required for demand deposits and certificates of deposit at 105% of all deposits not covered by federal deposit insurance. Obligations that may be pledged as collateral are obligations of the United States and its agencies and obligations of the state and its municipalities and school districts.

Total bank balances of the CCDC of \$166,130 at December 31, 2009 are covered by FDIC insurance up to the limits, with the remaining amounts collateralized with securities held by the Authority's financial institution and pledged in the name of the Cayuga County Development

Authority. The carrying value of deposits at December 31, 2011 also totaled 166,130. Included in these balances is a 6-month certificate of deposit in the amount of \$149,578 at an interest rate of 1%. These funds are restricted for the purpose of economic development loans.
