

Sheriff's Department

Brian Schenck

Sheriff

- In early April, Sheriff Schenck reached out via social media to children in the community to send their artwork to thank a nurse, doctor, first responder, health care worker, 911 dispatcher, etc., and we are very pleased to acknowledge the many children who took the time to thank those on the front lines during this pandemic. The artwork has been featured on the Cayuga County Sheriff Facebook page for all to see.
- Custody Officer Paul Indelicato received a commendation for his investigation of jail contraband that resulted in an arrest. Congratulations to you for a job well done! Also in April, Custody Sergeant Jeff Akins was recognized for going above and beyond to ensure that the jail was being thoroughly cleaned and disinfected on a routine basis every day during this pandemic. Thank you for taking this initiative to protect our custody officers, inmates and civilian employees at the Cayuga County Jail. We truly appreciate your dedication.
- April 12-18 was National Public Safety Telecommunicators Week and the Sheriff's Office would like to thank all of the staff of the E-911 office who work hard every day to field telephone calls from our community members. We would especially like to emphasize our appreciation this year as our E-911 staff had to adjust to the pandemic and all the additional calls that came into the center because of the COVID-19 global health threat, not to mention having to move into a separate office so that if one member of our E-911 team was infected, it would not take down the whole team.
- We would like to thank members of the community who stepped forward to supply the Sheriff's Office with hand sanitizer, masks, who offered meals and provided Girl Scout Cookies! Each of you is truly appreciated.
- As our community has witnessed and experienced, our everyday heroes sometimes go unnoticed. People that volunteer in our community are even more appreciated during a health crisis when it is especially critical to keep our aging population protected. The Sheriff's Office would like to again thank the volunteers and the program administrators of the Cayuga County Senior Nutrition Program. Without this service in our community, many of our elderly population would not be able to obtain food and keeping our elderly home and safe during a health threat is critical. Thank you to all the volunteers in our community.
