Public Health Director
Cayuga County Health Department
8 Dill St.
Auburn, NY 13021**

For Immediate Release: Wednesday, May 13, 2020

Testing for COVID-19 for Essential Workers

A clinic is scheduled for essential workers to be tested for COVID-19. This is the nasopharyngeal viral testing swab, not the antibody test.

Essential workers include, **but are not limited to**; grocery store, convenience and hardware store employees, restaurant workers, first responders, law enforcement, correction officers, healthcare providers. This is for essential workers and their adult household members. We are not testing children at this clinic.

The Cayuga County Health Department will be offering a drive-thru COVID-19 clinic on:

- **Thursday, May 14, 2020 from 1pm- 5pm**
- The drive-thru clinic is **by appointment only**.

Appointments can be made by going to www.cayugacounty.us/health. Click on the button titled, COVID-19 Clinics. Once you have made an appointment online, someone from our office will call to collect your insurance information. If you do not have insurance, we will discuss options with you over the phone. If the lab bills the individual's insurance the lab would accept whatever reimbursement as payment in full and the individual will not receive a bill. The phone number you provide is also the phone number that will be called with your results.

Accompanying this press release are instructions on how to sign up for testing at the May 14, 2020 COVID 19 clinic.

Step 1 – Go to the Cayuga County Health Department website – www.cayugacounty.us/health . Click on the button titled, COVID-19 CLINICS.

The screenshot shows the Cayuga County Health Department website. At the top, there are navigation links for "COVID-19 UPDATES", "Cayuga County COVID-19 Stats & Services", and "Health Department Daily COVID-19 Case Report". Below this is a blue banner with the text "Create an Account - Increase your productivity, customize your experience, and engage in information you care about." and a "Sign In" button. The main header features the Cayuga County Health Department logo and a search bar with the text "I'm Looking For...". The background image shows a large brick building with white columns. Below the image is a row of five circular icons: "COVID-19 Clinic" (circled in black), "Water Quality", "Report a Concern", "Contact Us", and "WIC". The bottom of the page shows a Windows taskbar with various application icons and a system tray with the time "11:38 AM" and date "5/13/2020".

Step 2 – Click COVID-19 Swabbing.

The screenshot shows a web browser window with the URL <https://cayugacountyhealthdepartment.setmore.com>. The page features the Cayuga County Health Department logo on the left, which includes a stylized green figure holding a leaf. The main heading is "Cayuga County Health Department". Below the heading is a breadcrumb trail: "COVID-19 S" > "PROVIDER" > "DATE" > "YOUR INFO" > "CONFIRM". A horizontal line separates this from the main content area, which contains the text "Choose COVID-19 Swabbing" and a link for "Booking Policy". Below this, there are two options: "All COVID-19 Swabbing" and "COVID-19 Swabbing", with the latter being circled in black. On the right side of the page, there are three sections: "Contact Info" with the phone number 3152531560 and links for "View Website" and "Send Email"; "Location" with the address 8 Dill Street, Auburn, NY 13021; and "Business Hours (EDT)" with a table showing hours for each day of the week.
