Thank you for your past support of the Museum and Educational Center. We appreciate your gift of time as a Museum/Educational Center

## VOLUNTEER

**Looking through our records we have found that you have volunteered your time and skills at the museum before or have expressed an interest in doing so in 2015.**

We need you to help us continue our program and services at the Museum and Educational Center.

Funding from the County and the generosity of our Patrons does provide all the resources necessary to provide the quality of events and programs that we wish to provide.

We need people with a variety of skills and talents. If you can help please fill out the form in this brochure and mail it to the Museum Director.
