WE NEED YOUR FINANCIAL SUPPORT

The Ward W. O'Hara Agricultural & Country Living Museum
Dr. Joseph F. Karpinski Sr. Educational Center

Is owned and operated by the Citizens of Cayuga County.

We obtain partial support from the Cayuga County Legislature.

That funding is not enough to carry on the quality programs that the
Museum and Educational Center provide.

**We depend on the generosity of Community Members and
Community Businesses like you!**

Please Give To Our 2016 Appeal

Be A Museum/Educational Center Patron

We need your help this year more than ever.

We are in the process of adding a

100 x 40 foot exhibit addition to the East side of the
present museum building.

We have funds to construct the building exterior and
to enclose it for the winter.

The proceeds from the **2016 Appeal** will be used to
complete the interior of the addition including walls,
painting insulation and furnishings.

**Please Be Generous And Help us Fund The
Addition**
