

What's New with Cayuga County GIS Applications

Tax Map Online

- **New URL**
<https://ccgis.cayugacounty.us/webapp/tmo/>
Please update your bookmarks.
- **New Layers**
MUNICIPALITY layer now includes
 - *Neighborhood Code*
 - *Valuation Group* (Auburn)
 - *Zoning Code*
 - *Assessed Value*
- **Popups**
 - Popups can now be dragged by using the bar at top of the popup as a handle.
 - Popups are now generated for these layers (new popups are marked with *):
 - *911 Address*
 - *Elevation Contour**
 - *Survey**
 - *Survey Point**
 - *Survey Control SP NAD83m*
 - *Parcel*
 - *Neighborhood Code**
 - *Zoning Code**
 - *Valuation Group**
 - *Soil Type**
- **Imagery**
 - The maps available in the Basemap Gallery have changed.
 - Expanded historical imagery back to 1994
 - Recommended imagery:
 - For location accuracy use *Imagery*
 - For close up prints use *Photo 2018* to avoid image loss while zoomed in.
 - For tax map only images use *No Basemap*

Septic Record Locator

- **New URL**
<https://ccgis.cayugacounty.us/webapp/srl/>
Please update your bookmarks.

District Locator

- **New URL**
<https://ccgis.cayugacounty.us/webapp/disloc/>
Please update your bookmarks.

GIS Parcel Viewer

We have retired the GIS Parcel Viewer at
<https://gis.cayugacounty.us/flexviewers/CCrpv/>
Tax Map Online is our latest parcel viewer.
