Deaths

One Cayuga County resident, a male in his fifties, has tested positive for COVID-19 and has passed away. Out of respect for the privacy of the deceased and his family, we will not be releasing further information.

There have been 104 total Cayuga County deaths related to COVID-19.

Upcoming Clinics

The Cayuga County Health Department will be hosting COVID-19 vaccination clinic on Friday, October 8, 2021 from 4pm- 5pm at the Fingerlakes Mall.

All three COVID-19 vaccines will be offered. **REGISTRATION WILL BE REQUIRED.** To register for an appointment visit: www.cayugacounty.us/health

Moderna and Johnson & Johnson are approved for those who are 18 years of age and older. Children 12 years of age and older are eligible for the Pfizer vaccine and a parent or guardian must accompany anyone under 18 years of age at this clinic.

Cayuga County Health Department is participating in the #VaxtoSchool campaign, which is program administered by New York State to target unvaccinated 12-17 year olds to get vaccinated. Any child in this age group who receives their **first dose Pfizer vaccine** beginning October 2, 2021 through November 19, 2021 at a Cayuga county Health Department vaccination clinic will be given a \$25 Amazon gift card. COVID19 is still a risk for individuals of all ages, including children and adolescents and getting vaccinated is the best way to protect yourself, friends, family and our school communities from the virus.
