For Immediate Release: Friday, December 10, 2021

Symptomatic COVID-19 Testing Clinic

The Cayuga County Health Department is working in collaboration the Cayuga County Emergency Management office and Quadrant Biosciences to perform **symptomatic** COVID-19 saliva-based PCR testing for any aged individual.

This clinic will take place on **Saturday, December 11, 2021 from 9am-11am** at the Fingerlakes Mall, 1579 Clark St. Rd., Auburn at the former Joann Fabric location. Please use the exterior entrance to the left of the Bass Pro Shop.

To be eligible for a test, **you must follow these specific instructions:**

1. Go to www.cayugacounty.us/health and click on the COVID-19 testing button.
2. Make your appointment. Check your email for confirmation of your appointment. In this email you will be instructed to create a profile with Quadrant.
3. In order to receive your test results, you must create a profile.

There are a limited number of appointments available and **walk-ins WILL NOT be accepted.**

Insurances will cover the cost of the test. There is **NO charge** to the patient. Insurance information will be collected at the time you create a profile and on-site, so please bring your insurance card and a form of identification to your appointment.

Please note: you may not eat, drink use tobacco products or brush your teeth for **one hour prior to the test** or the result will be invalid.
