For Immediate Release: Friday, February 11th, 2022

Upcoming Cayuga County COVID-19 Vaccination Clinics

The Cayuga County Health Department is participating in the state-wide #VaxForKids program which encourages children ages 5 and up to get their COVID-19 vaccine as a means to prevent serious illness. On November 3rd, 2021, the CDC authorized the Pfizer COVID-19 vaccine for children ages 5 – 11 years-old. On January 5th, 2022, the CDC recommended the Pfizer booster dose for ages 12 and older five months after they receive their second dose. The following Cayuga County Health Department clinics will be offering the COVID-19 vaccine for ages 5 and up and providing an opportunity for this age group to get vaccinated through the #VaxForKids program:

Saturday, February 12th from 11am-1pm at Port Byron High School

- Pfizer pediatric first and second doses for individuals 5 – 11 years of age
- Pfizer first, second, and booster doses for individuals 12 years and older
- J&J original and booster doses for individuals 18 years and older
- Moderna first, second, and booster doses for individuals 18 years and older
- This will be a walk-in clinic or you can make your appointment ahead of time by visiting our website: www.cayugacounty.us/health

Tuesday, February 15th from 4-6pm at the Events Center at the Finger Lakes Mall

- Pfizer pediatric first and second doses for individuals 5 – 11 years of age
- Pfizer first, second, and booster doses for individuals 12 years and older
- Moderna booster doses for individuals 18 years and older
- Located in the former Spirit Halloween store; please enter through the back of the mall near the movie theaters; you cannot enter the clinic through the inside of the mall
- This will be a walk-in clinic or you can make your appointment ahead of time by visiting our website: www.cayugacounty.us/health

Friday, February 18th from 2:30-4:30pm at Southern Cayuga High School

- Pfizer pediatric first and second doses for individuals 5 – 11 years of age
- Pfizer first, second, and booster doses for individuals 12 years and older
- Moderna booster doses for individuals 18 years and older
- This will be a walk-in clinic or you can make your appointment ahead of time by visiting our website: www.cayugacounty.us/health

These clinics are restricted to Cayuga County residents. Please bring your insurance card and if receiving a second dose or booster, your vaccine card.

The availability of the vaccine is not limited to just the health department. Individuals are encouraged to work with local pharmacies, federally qualified health centers, and healthcare providers to get an appointment.

For anyone without access to the internet or who needs help making an appointment, City, Town and Village clerks can assist with online registration as well as the Cayuga Community Health Network by calling 315-252-4212.
