For Immediate Release: Monday, May 16, 2022

Cayuga County COVID-19 Update as of 4:15pm

Total Hospitalized Cases: 10 Cayuga County residents

COVID-19 hospitalization reports received today from Crouse Hospital, Upstate University Hospital, St. Joseph's Health, and Auburn Community Hospital.

Age Demographics:

- 100s: 0
- 90s: 0
- 80s: 5 (2 unvaccinated, 3 vaccinated)
- 70s: 2 (1 unvaccinated, 1 vaccinated)
- 60s: 1 (1 vaccinated)
- 50s: 1 (1 unvaccinated)
- 40s: 0
- 30s: 0
- 20s: 0
- 10s: 1 (1 vaccinated)
- Less than 10 years of age: 0

Deaths:

There have been 146 total reported Cayuga County deaths related to COVID-19.

Active Cases in Mandatory Isolation: As of today, we will no longer be reporting this number in our updates. This number reflected the number of laboratory confirmed cases and those who reported at-home test kit results to us, but not unreported cases; therefore, it is not reflective of all the cases in the community.

Additional Information:

The Centers for Disease Control and Prevention (CDC) reports that Cayuga County continues to experience a high transmission rate of COVID-19; therefore, residents are strongly encouraged to take precautions.

To reduce the spread of COVID-19, we continue to encourage:

- The use of masks indoors and in public spaces, regardless of vaccination status.
- Staying home when sick.
- Seeking COVID-19 testing for COVID-related symptom(s) that develop.
- Seeking healthcare as needed as treatment options for COVID-19 may be appropriate.
