Deaths:

A Cayuga County resident – a male in his sixties – has tested positive for COVID-19 and has passed away. Out of respect for the privacy of the deceased and his family, we will not be releasing any further information.

There have been 149 total reported Cayuga County deaths related to COVID-19.

Additional Information:

The Cayuga County Health Department continues to offer COVID-19 vaccine and booster clinics. Vaccines offered at our clinics include: Pediatric Pfizer (for children ages 5-11 years of age), Pfizer (for individuals 12 years of age and older) and Moderna (for individuals 18 years of age and older).

To view upcoming clinics, visit: www.cayugacounty.us/health.

You can submit at-home test results to our department. Please visit our website for more information on how to submit an at-home COVID test: www.cayugacounty.us/health. The Federal Drug Administration (FDA) has extended the expiration dates of some FDA approved COVID-19 at-home test kits. To see if the expiration date of a test kit is extended, please visit the manufacturer's website.
