Auburn, NY 13021**

For Immediate Release: Tuesday, September 27, 2022

COVID-19 Pfizer Vaccine Clinic

The Cayuga County Health Department will be hosting a Pfizer vaccine clinic for individuals 5 years of age and older on Thursday, September 29, 2022 from 4:30-5:30pm.

COVID-19 Pfizer vaccines being offered include:

- 1st and 2nd doses of Pfizer for individuals 5 years and older
- Monovalent booster dose of Pfizer for individuals 5-11 years of age
- Bivalent booster dose of Pfizer for individuals 12 years and older

This clinic will be held at the Fingerlakes Mall (located at 1579 Clark St., Auburn) will be in the Event Center (at the former Spirit Halloween store located on the backside of the mall near the movie theaters). Entrance to this clinic is from the outside of the mall. There will not be admittance to the clinic from the inside of the mall. **Please park in the back of the mall and enter through the Event Center doors.**

Anyone entering the clinic must be wearing a mask. Please your insurance card and vaccine card if you have one.

The availability of the vaccine is not limited to just the health department. Individuals are encouraged to work with local pharmacies, federally qualified health centers, and healthcare providers to get an appointment. Parents looking for the COVID-19 vaccine for children under 5 years of age should contact their child's pediatrician or local pharmacy.

The Cayuga Community Health Network (315-252-4212) is available to assist individuals with finding clinics and making appointments. For more information about the COVID-19 vaccine, visit www.cayugacounty.us/health.
