

Kathleen Cuddy, MPH  
Public Health Director  
Cayuga County Health Department  
8 Dill St.  
Auburn, NY 13021

**For Immediate Release: Friday, September 30, 2022**

## **COVID-19 Bivalent Booster Clinic**

The Cayuga County Health Department will be hosting a Bivalent Booster clinic offering Pfizer for individuals 12 years of age and older and Moderna for individuals 18 years of age and older on Wednesday, October 5, 2022 from 4pm – 6pm.

**Appointments will be required and can be made on our website:**

[www.cayugacounty.us/health](http://www.cayugacounty.us/health) by clicking the COVID-19 Vaccine Clinic button.

Vaccines being offered include:

- Bivalent booster dose of Pfizer is approved for individuals 12 years and older
- Bivalent booster dose of Moderna is approved for individuals 18 and older

This clinic will be held at the Fingerlakes Mall (located at 1579 Clark St., Auburn) will be in the Event Center (at the former Spirit Halloween store located on the backside of the mall near the movie theaters). Entrance to this clinic is from the outside of the mall. There will not be admittance to the clinic from the inside of the mall. **Please park in the back of the mall and enter through the Event Center doors.**

Anyone entering the clinic must be wearing a mask. Please your insurance card and vaccine card if you have one.

The availability of the vaccine is not limited to just the health department. Individuals are encouraged to work with local pharmacies, federally qualified health centers, and healthcare providers to get an appointment. Parents looking for the COVID-19 vaccine for children under 5 years of age should contact their child's pediatrician or local pharmacy.

The Cayuga Community Health Network (315-252-4212) is available to assist individuals with finding clinics and making appointments. For more information about the COVID-19 vaccine, visit [www.cayugacounty.us/health](http://www.cayugacounty.us/health).
