

Wayne Behavioral Health Network

Open Access Center

Serving: Genesee, Livingston, Monroe, Ontario, Orleans, Seneca, Wayne, Wyoming & Yates Counties

Do you need help dealing with an opioid or
other drug addiction?

Do you have a drinking problem?

Do you need help with an
emotional or mental health issue?

Let us assist you, your family member or a friend in dealing with the situation. The Open Access Center is available to anyone and our team of professionals will meet with you to assess your mental health or addiction related needs, determine the appropriate level of care that's best for you, and can link you to a service provider.

Services may include: overdose prevention, detox, in-patient, out-patient, residential, or emergency treatment.

We're located at 1519 Nye Road, Lyons, NY

Services Begin August 30th • 315-946-5750

Open — 7am to 10pm (Eventually we will ramp up our hours to 24/7/365)
