

## 9.4 VILLAGE OF AURORA

This section presents the jurisdictional annex for the Village of Aurora.

### A.) HAZARD MITIGATION PLAN POINT OF CONTACT

Primary Point of Contact	Alternate Point of Contact
<a href="#">Name: Ann Balloni, Village Clerk</a> <a href="#">Address: 456 Main St., Aurora, NY 13026</a> <a href="#">Phone Number: 315-364-7293</a> <a href="#">Fax Number: 315-364-6857</a> <a href="#">Email address: villageclerk@auroranewyork.us</a>	<a href="#">Name: Kurt Wilmot, Superintendent of Public Works</a> <a href="#">Address: 456 Main St., Aurora, NY 13026</a> <a href="#">Phone Number: 315-364-7293</a> <a href="#">Fax Number: 315-364-6857</a> <a href="#">Email address: villageclerk@auroranewyork.us</a>

### B.) PROFILE

#### Population

According to the 2010 U.S. Census, the estimated Village of Aurora population was 724. The Village of Aurora is one of the 9 villages in Cayuga County.

#### Location

The Village of Aurora is located in southwest Cayuga County on the east side of Cayuga Lake, and lies within the town of Ledyard.

#### Brief History

The Village of Aurora stands near the grounds of a prominent Cayuga Indian village, which was destroyed during the Revolutionary War in 1779, a portion of the land which was later designated within the Central New York Military Tract for American war veterans. Aurora was incorporated as a village in 1837, and was an important stopping point along the Cayuga-Seneca Canal (McKay and McKay, 1997).

#### Governing Body Format

Home rule is strong in New York State and thus, each town and village has its own governing body. Towns are made up of a Town Board and Supervisor. The Villages all have a Village Mayor, Clerk, and Village Board. Along with town and village roads, any public water and sewer systems are operated by the local municipality, though they may cooperate with County departments. Each municipality has charge over its own planning and zoning and uses the County personnel as a resource (Cayuga County, 2010).

#### Growth/Development Trends

The jurisdiction noted that there is no major residential/commercial development or major infrastructure development that has been identified for the next five (5) years in the municipality.

## C.) NATURAL HAZARD EVENT HISTORY

Cayuga County has a history of natural hazard events as detailed in Volume I, Section 5 of this plan. A summary of historical events is provided in each of the hazard profiles and includes a chronology of events affecting the County and its municipalities. Below is presented a summary of historical events to indicate the range and impact of natural hazard events in the county. Specific damages have been indicated if available from reference or local sources.

Type of Event	FEMA Disaster # (if applicable)	County Designated?	Date	Approximate Damage Assessment
Flood in Moravia			6/1/1905	Severely damaged Moravia business district
Steamship Frontenac fire south of Union Springs			6/27/1907	8 deaths
Severe Flooding along Cayuga Lake			4/1916	
Spanish Influenza			1918 — 1919	nearly 100 deaths in Cayuga County
Riots at Auburn Prison			1929	11 deaths, 3 firefighters injured
Hislops fire in Auburn			12/1931	Destroyed a block of downtown, 1 firefighter killed
Floods in Moravia & Locke			7/1/1935	Floods in Moravia & Locke
Gasoline leak & explosion in Auburn			3/30/1960	Killed 5 including 3 firefighters
Gasoline spill in Auburn			9/ 1960	17,000 gallon gasoline spill at Drake Oil
Gasoline spill			5/1966	8,500 gallon gasoline spill at Sinclair bulk terminal in Auburn
Dutch Elm Disease			1960's	Kills thousands of trees in City and Villages
Tropical Storm Agnes	DR-338	Y – IA, PA	6/1972	Auburn's Mill Street dam washed out, Owasco Lake dam weakened, Cayuga Lake rises 1.25 feet higher than 1916 level
High Winds/Wave Action/Flooding	DR-367	Yes - IA, PA	3/21/1973	
Gasoline tanker crash			4/10/1975	Resulting fire destroys 11 buildings in Locke
Hurricane Eloise /Severe Storm, Heavy Rain, Landslide/Flooding	DR-487	Yes - IA, PA	9/1975	Caused severe damage in Moravia and Locke
10,000 gallon gasoline spill at Agway in Auburn			9/11/1977	
Ice Jam in Port Byron			2/1979	Evacuated homes and closes

**SECTION 9.4: VILLAGE OF AURORA**

Type of Event	FEMA Disaster # (if applicable)	County Designated?	Date	Approximate Damage Assessment
				schools
Flooding in Moravia and Locke			10/1981	"worse than Agnes or Eloise"
Radiation incident at Austeel (dental scrap)			1980's	
Blizzard followed by lake and river flooding in April	EM-3107	Yes - PA	3/17/1993	Blizzard followed by lake and river flooding in April
Dunn & McCarthy fire in Auburn.			11/1993	
Ice jam flooding in Port Byron			1/ 1994	Evacuated homes and closes schools.
County-wide flooding	DR-1095	Yes - IA, PA	1/19/1996	1 death (MVA).
Street flooding in Moravia and Locke	DR-1148	No	11/1996	Serious damage to a 6" sanitary sewer pipe was caused by massive debris floating down Payne's Creek. The village experienced a loss of sanitary sewer service, as well as electrical damage to sewer plant pump controls due to flooding. Cost to repair service to residents was \$5k.
Tornado(s) in Niles and Moravia	DR-1222 DR-1233	No	Summer 1998	
Labor Day storm.	DR-1244	Yes - IA, PA	9/1998	
USDA declared Drought (t40329).			8/1999	Genoa issues Emergency water restrictions
Road flooding in King Ferry		No	6/2000	(Fed. Declared disaster elsewhere).
Flood			5/2002	Road flooding in Union Springs and Meridian.
Landslide along Seneca River near Cross Lake in Town of Cato.			2/2003	
Ice storm	DR-1467	Yes - IA, PA	4/2003	3 deaths in Cayuga County.
NE blackout.	EM-3186	Yes - PA	8/23/2003	
Snow emergency declared	EM-3195	Yes - PA	1/2004	
Rain/Flooding	DR-1589	Yes - PA	4/2005	Flooding triggered by snow melt and rain.
Severe Storms and Flooding	DR 1650	No	June 26 2006 — July 1, 2006	
Severe Storms and Flooding	DR 1670	No	November 16-17, 2006	
April Nor'easter	DR 1692	No	April 18, 2007	

**SECTION 9.4: VILLAGE OF AURORA**

Type of Event	FEMA Disaster # (if applicable)	County Designated?	Date	Approximate Damage Assessment
Severe Storms and Flooding	DR 1710	No	June 19, 2007	
Severe Storms and Flooding	DR 1857	No	August 9, 2009	
Severe Storms and Flooding	DR 1993	No	April 26, 2011— May 8, 2011	
Severe Storms and Flooding	EM 3328	No	August 26, 2011	
Hurricane Irene	DR 4020	No	August 26, 2011— September 5, 2011	
Severe Storms, Flooding, Tornadoes, and Straightline Winds	EM 3341	No	September 7-8, 2011	
Remnants of Tropical Storm lee	DR 4031	No	September 7-11, 2011	
Tornado(s) in Niles and Moravia	DR-1222 DR-1233	No	Summer 1998	
Labor Day storm.	DR-1244	Yes - IA, PA	9/1998	
USDA declared Drought (t40329).			8/1999	Genoa issues Emergency water restrictions
Road flooding in King Ferry		No	6/2000	(Fed. Declared disaster elsewhere).
Flood			5/2002	Road flooding in Union Springs and Meridian.
Landslide along Seneca River near Cross Lake in Town of Cato.			2/2003	
Ice storm	DR-1467	Yes - IA, PA	4/2003	3 deaths in Cayuga County.
NE blackout.	EM-3186	Yes - PA	8/23/2003	
Snow emergency declared	EM-3195	Yes - PA	1/2004	
Flooding triggered by snow melt and rain.	DR-1589	No	4/2005	
Severe Storms and Flooding	DR 1650	No	June 26 2006 — July 1, 2006	
Severe Storms and Flooding	DR 1670	No	November 16-17, 2006	
April Nor'easter	DR 1692	No	April 18, 2007	
Severe Storms and Flooding	DR 1710	No	June 19, 2007	
Severe Storms and Flooding	DR 1857	No	August 9, 2009	
Severe Storms and Flooding	DR 1993	No	April 26, 2011— May 8, 2011	

**SECTION 9.4: VILLAGE OF AURORA**

Type of Event	FEMA Disaster # (if applicable)	County Designated?	Date	Approximate Damage Assessment
Severe Storms and Flooding	EM 3328	No	August 26, 2011	
Hurricane Irene	DR 4020	No	August 26, 2011— September 5, 2011	
Severe Storms, Flooding, Tornadoes, and Straightline Winds	EM 3341	No	September 7-8, 2011	
Remnants of Tropical Storm Ilee	DR 4031	No	September 7-11, 2011	

Note: N/A = Not applicable

**D.) NATURAL HAZARD RISK/VULNERABILITY RISK RANKING**

Hazard type	Estimate of Potential Dollar Losses to Structures Vulnerable to the Hazard <sup>a, c</sup>	Probability of Occurrence	Risk Ranking Score (Probability x Impact)	Hazard Ranking <sup>b</sup>
Flood	1% Annual Chance: \$60,503 0.2% Annual Chance: \$119,487	Frequent	18	Medium
Severe Storm	100-Year MRP: \$0 500-Year MRP: \$228 Annualized Loss: \$85	Frequent	18	Medium
Severe Winter Storm	1% of GBS: \$470,181 5% of GBS: \$2,350,905	Frequent	48	High
Transportation	Not available	Rare	6	Low
Ground Failure	Karst Exposure \$0 Moderate Incidence \$0 Moderate Susceptibility \$0	Rare	6	Low

- a. Building damage ratio estimates based on FEMA 386-2 (August 2001)
- b. High = Total hazard priority risk ranking score of 30 and above  
Medium = Total hazard priority risk ranking of 15-29  
Low = Total hazard risk ranking below 15
- c. The valuation of general building stock and loss estimates was based on custom inventory for Cayuga County.
- d. Loss estimates for the severe storm and severe winter storm hazards are structural values only and do not include the value of contents.
- e. Loss estimates for the flood hazard represents both structure and contents.

**E.) CAPABILITY ASSESSMENT**

This section identifies the following capabilities of the local jurisdiction:

- Legal and regulatory capability
- Administrative and technical capability
- Fiscal capability
- Community resiliency
- Community political capability
- Community classification.

The town indicates that it has high planning, regulatory, administrative, technical, community resiliency, and community political capability; limited fiscal capability; with a very willing political capability to enact policies or programs to reduce hazard vulnerabilities in the community.

## E.1) Legal and Regulatory Capability

Regulatory Tools (Codes, Ordinances., Plans)	Do you have this? (Y or N)	Enforcement Authority	Code Citation (Section, Paragraph, Page Number, Date of adoption)
1) Building Code	Y	Local	8/4/1958
2) Zoning Ordinance	Y	Local; Village Code Enforcement Officer	5/16/08
3) Subdivision Ordinance	N	Local; Village Code Enforcement Officer	Section 1005-B, pg52; 5/16/08
4) NFIP Flood Damage Prevention Ordinance	Y	Local	
4a) Cumulative Substantial Damages	N	Local	
4b) Freeboard		Local	
5) Growth Management	Y	Local; Village Board of Trustees	5/21/2008
6) Floodplain Management / Basin Plan	Y	Local or Watershed; Village Board	Local Law #2 of 2007; 7/17/2007
7) Stormwater Management Plan/Ordinance		Local	
8) Comprehensive Plan / Master Plan/ General Plan	Y	Local; Village Board	Section 7; 5/21/2008 Comprehensive Plan
9) Capital Improvements Plan		Local or County	
10) Site Plan Review Requirements	Y	Local; Village Board	Section 903, pg 42; 5/16/2008 Zoning Law
11) Open Space Plan	Y	Local; Village Board	Section 6; 5/21/2008 Comprehensive Plan
12) Stream Corridor Management Plan		Local or Watershed	
13) Watershed Management or Protection Plan		Local or Watershed	
14) Economic Development Plan		County	
15) Comprehensive Emergency Management Plan	Y	Local; Village Board	2/3/1994
16) Emergency Response Plan	Y	Local; Village Board	2/3/1994
17) Post Disaster Recovery Plan		Local	
18) Post Disaster Recovery Ordinance		Local	
19) Real Estate Disclosure Requirement		State	State Requirement

**SECTION 9.4: VILLAGE OF AURORA**

Regulatory Tools (Codes, Ordinances., Plans)	Do you have this? (Y or N)	Enforcement Authority	Code Citation (Section, Paragraph, Page Number, Date of adoption)
20) Other [Special Purpose Ordinances (i.e., critical or sensitive areas)]		Local or County	

## E.2) Administrative and Technical Capability

Staff/ Personnel Resources	Available (Y or N)	Department/ Agency/ Position
1) Planner(s) or Engineer(s) with knowledge of land development and land management practices	N	
2) Engineer(s) or Professional(s) trained in construction practices related to buildings and/or infrastructure	N	
3) Planners or engineers with an understanding of natural hazards	N	
4) NFIP Floodplain Administrator	Y	<a href="#">Ann Balloni, Village Clerk/ Floodplain Administrator</a>
5) Surveyor(s)	N	
6) Personnel skilled or trained in "GIS" applications	N	
7) Scientist familiar with natural hazards	N	
8) Emergency Manager	Y	
9) Grant Writer(s)	N	
10) Staff with expertise or training in benefit/cost analysis	N	

## E.3) Fiscal Capability

Financial Resources	Accessible or Eligible to use (Yes/No/Don't know)
1) Community Development Block Grants (CDBG)	N
2) Capital Improvements Project Funding	N
3) Authority to Levy Taxes for specific purposes	Y- Village Board
4) User fees for water, sewer, gas or electric service	Y- Village Board
5) Impact Fees for homebuyers or developers of new development/homes	N
6) Incur debt through general obligation bonds	Y- Village Board
7) Incur debt through special tax bonds	N
8) Incur debt through private activity bonds	N
9) Withhold public expenditures in hazard-prone areas	N
10) State mitigation grant programs (e.g. NYSDEC, NYCDEP)	Y- Village Board
11) Other	

**E.4) Community Classifications**

<b>Program</b>	<b>Classification</b>	<b>Date Classified</b>
Community Rating System (CRS)		
Building Code Effectiveness Grading Schedule (BCEGS)		
Public Protection		
Storm Ready		
Firewise		

N/A = Not applicable. NP = Not participating. - = Unavailable.

The classifications listed above relate to the community’s effectiveness in providing services that may impact its vulnerability to the natural hazards identified. These classifications can be viewed as a gauge of the community’s capabilities in all phases of emergency management (preparedness, response, recovery and mitigation) and are used as an underwriting parameter for determining the costs of various forms of insurance. The CRS class applies to flood insurance while the BCEGS and Public Protection classifications apply to standard property insurance. CRS classifications range on a scale of 1 to 10 with class one (1) being the best possible classification, and class 10 representing no classification benefit. Firewise classifications include a higher classification when the subject property is located beyond 1000 feet of a creditable fire hydrant and is within 5 road miles of a recognized Fire Station.

Criteria for classification credits are outlined in the following documents:

- The Community Rating System Coordinators Manual
- The Building Code Effectiveness Grading Schedule
- The ISO Mitigation online ISO’s Public Protection website at <http://www.isomitigation.com/ppc/0000/ppc0001.html>
- The National Weather Service Storm Ready website at <http://www.weather.gov/stormready/howto.htm>
- The National Firewise Communities website at <http://firewise.org/>

**F. MITIGATION STRATEGY**

**F.1) Past Mitigation Actions/Status**

The town has not identified any actions which have been incorporated the into its planning and land use mechanisms.

**F.2) Hazard Vulnerabilities Identified**

Tractor trailer traffic, including the following components thereof:

- Noise
- Pollution
- Safety
- Hazardous materials
- Proximity of Rt 90 to Cayuga Lake
- Damage to infrastructure

## NFIP Summary

Municipality	# Policies (1)	# Claims (Losses) (1)	Total Loss Payments (2)	# Rep. Loss Prop. (1)	# Severe Rep. Loss Prop. (1)	# Policies in 100-year Boundary (3)	# Policies in 500-Boundary (3)	# Policies Outside the 500-year Flood Hazard (3)
Aurora (V)	3	3	\$12,567	0	0	3	0	0

Source:

- (1) Policies, claims, repetitive loss and severe repetitive loss statistics provided by FEMA Region 2, in June, 2012 using the "Comm\_Name". These statistics are current as of June 31, 2012. Please note the total number of repetitive loss properties includes the severe repetitive loss properties.
- (2) Total building and content losses from the claims file provided by FEMA Region 2 (current as of June 31, 2012).
- (3) The policy locations used are based on the latitude and longitude provided by FEMA Region 2.

It is estimated that in the Village of Aurora, 14 residents live within the 1% annual chance flood area (NFIP Special Flood Hazard Area). Of the municipality's total land area, 5.1% is located within the 1% annual chance flood area. \$1,126,800 (1.4%) of the municipality's general building stock replacement cost value (structure and contents) is located within the 1% annual chance flood area. There are 3 NFIP policies in the community and there are 3 policies located within the 1% annual chance flood area. FEMA has identified 0 Repetitive Loss (RL) including 0 Severe Repetitive Loss (SRL) properties in the municipality.

HAZUS-MH estimates that for a 1% annual chance flood, \$60,503 (0.1%) of the municipality's general building stock replacement cost value (structure and contents) will be damaged and 186 tons of debris could be generated. HAZUS-MH estimated no damage or loss of use to critical facilities in the community as a result of a 1% annual chance flood event. In some cases, a facility may be located in the DFIRM flood hazard boundary; however HAZUS did not calculate potential loss. This may be because the depth of flooding does not amount to any damages to the structure according to the depth damage function used in HAZUS for that facility type.

Please refer to the Hazard Profiles for additional vulnerability information relevant to this jurisdiction.

## F.3) PROPOSED HAZARD MITIGATION INITIATIVES

Note some of the identified mitigation initiatives in Table F are dependent upon available funding (grants and local match availability) and may be modified or omitted at any time based on the occurrence of new hazard events and changes in municipal priorities.

Initiative	Mitigation Initiative	Applies to New and/or Existing Structures*	Hazard(s) Mitigated	Goals and Objectives Met	Lead and Support Agencies	Estimated Benefits	Estimated Cost	Sources of Funding	Timeline	Priority	Mitigation Category
AR-1	Increase salting capabilities and/or explore technologies such as brining.	N/A	Transportation; Severe Winter Storm	3-1 3-3	Municipal DPW	Medium	Medium	Municipal Budget, DOT grant opportunities	Long Term DOF	Medium	ES
AR-2	Further Incorporate public outreach for parking policies within the Village. Clearly determine the hazard zones of narrow roads and steep slopes.	N/A	Transportation; Severe Winter Storm	1-6 2-2	Municipal DPW; Public Safety	Medium	Low	Municipal Budget	Short Term	Medium	PE
AR-3	Continue to participate in the Upstate Safety Task Force to apply pressure to lower speeds on Main Street	N/A	Transportation	2-2 3-1 3-4	Municipal Government; NYSDOT	High	Low	Municipal Budget	On-going	High	PE
AR-4	Support and expedite repairs to NYSDOT owned culvert located at 323 Main Street	Existing	Flood	1-1 1-3 1-9	NYSDOT; Municipal DPW	High	Low	NYSDOT	Short Term	High	SP
AR-5	Conduct and facilitate community and public education and outreach for residents and businesses to include, but not be limited to, the following to promote and effect natural hazard risk reduction: <ul style="list-style-type: none"> <li><input type="checkbox"/> Provide and maintain links to the HMP website, and regularly post notices on the County/municipal homepage(s) referencing the HMP webpages.</li> <li><input type="checkbox"/> Prepare and distribute informational letters to flood vulnerable property owners and neighborhood associations, explaining the availability of mitigation grant funding to</li> </ul>	N/A	All Hazards	2-1 2-2 2-3 2-4 2-5	Municipality with support from Planning Partners, County Planning, NYSOEM, FEMA	Medium	Medium	Municipal Budget, HMA programs with local or county match	Short Term	High	PE

AR-24	Implement, review, and enforce municipal policies and programs to prevent trees from threatening lives and impacting power availability/interruption.	N/A	Severe Storm	1-6 4-3	Municipal Code Enforcement	Medium	Low	Municipal Budget	Short	H	PR

Notes:

\*Does this mitigation initiative reduce the effects of hazards on new and/or existing buildings and/or infrastructure? Not applicable (NA) is inserted if this does not apply.

**Acronyms and Abbreviations:**

ARC American Red Cross  
 DPW Department of Public Works  
 FEMA Federal Emergency Management Agency  
 HMA Hazard Mitigation Assistance  
 HMP Hazard Mitigation Proposal  
 N/A Not applicable

NFIP	National Flood Insurance Program
NYSOEM	New York State Office of Emergency Management
NOAA	National Oceanic and Atmospheric Administration
SWCD	Cayuga County Soil and Water Conservation District
USACE	U.S Army Corp of Engineers
USGS	U.S. Geological Survey

**Costs:**

Where actual project costs have been reasonably estimated:

Low = < \$10,000

Medium = \$10,000 to \$100,000

High = > \$100,000

Where actual project costs cannot reasonably be established at this time:

Low = Possible to fund under existing budget. Project is part of, or can be part of an existing on-going program.

Medium = Could budget for under existing work-plan, but would require a reapportionment of the budget or a budget amendment, or the cost of the project would have to be spread over multiple years.

High = Would require an increase in revenue via an alternative source (i.e., bonds, grants, fee increases) to implement. Existing funding levels are not adequate to cover the costs of the proposed project.

**Benefits:**

Where possible, an estimate of project benefits (per FEMA’s benefit calculation methodology) has been evaluated against the project costs, and is presented as:

Low = < \$10,000

Medium = \$10,000 to \$100,000

High = > \$100,000

Where numerical project benefits cannot reasonably be established at this time:

Low = Long term benefits of the project are difficult to quantify in the short term.

Medium = Project will have a long-term impact on the reduction of risk exposure to life and property, or project will provide an immediate reduction in the risk exposure to property.

High = Project will have an immediate impact on the reduction of risk exposure to life and property.

**Potential FEMA HMA Funding Sources:**

PDM = Pre-Disaster Mitigation Grant Program

FMA = Flood Mitigation Assistance Grant Program

RFC = Repetitive Flood Claims Grant Program

SRL = Severe Repetitive Loss Grant Program

HMGP = Hazard Mitigation Grant Program

**Timeline:**

Short = 1 to 5 years. Long Term= 5 years or greater. OG = On-going program.

DOF = Depending on funding.

**Notes (for Mitigation Type):**

1. PR=Prevention: Government, administrative or regulatory actions or processes that influence the way land and buildings are developed and built Examples of these are acquisition, elevation, relocation, structural retrofits, storm shutters, and shatter-resistant glass.

2. PP= Property Protection: These actions also include public activities to reduce hazard losses or actions that involve (1) modification of existing buildings or structures to protect them from a hazard or (2) removal of the structures from the hazard area. Examples include planning and zoning, floodplain local laws, capital improvement programs, open space preservation, and storm water management regulations.
3. PE=Public Education and Awareness: Actions to inform and educate citizens, elected officials, and property owners about hazards and potential ways to mitigate them. Such actions include outreach projects, real estate disclosure, hazard information centers, and school-age and adult education programs.
4. NR=Natural Resource Protection: Actions that minimize hazard loss and also preserve or restore the functions of natural systems. These actions include sediment and erosion control, stream corridor restoration, watershed management, forest and vegetation management, and wetland restoration and preservation.
5. SP=Structural Projects: Actions that involve the construction of structures to reduce the impact of a hazard. Such structures include dams, setback levees, floodwalls, retaining walls, and safe rooms.
6. ES=Emergency Services: Actions that protect people and property, during and immediately following, a disaster or hazard event. Services include warning systems, emergency response services, and the protection of essential facilities.

## G.) PRIORITIZATION OF MITIGATION INITIATIVES

Initiative #	# of Objectives Met	Benefits	Costs	Do Benefits equal or exceed Costs? (Yes or No)	Is project Grant eligible? (Yes or No)	Can Project be funded under existing programs/budgets? (Yes or No)	Priority (High, Med., Low)
AR-1	2	M	M	Y	N	N	M
AR-2	2	M	L	Y	N	Y	M
AR-3	3	H	L	Y	N	Y	H
AR-4	3	H	L	Y	N	N	H
AR-5	5	M	M	Y	Y	N	H
AR-6	2	M	M	Y	Y	Y	M
AR-7	2	M	M	Y	Y	Y	M
AR-8	2	M	M	Y	Y	Y	M
AR-9	2	M	M	Y	Y	Y	M
AR-10	3	M	M	Y	Y	N	M
AR-11	1	L	L	Y	N	Y	H
AR-12	4	M	L	Y	N	Y	H
AR-13	1	M	M	Y	N	Y	M
AR-14	2	M	M	Y	Y	N	M
AR-15	2	H	L	Y	Y	N	H
AR-16	2	H	H	Y	Y	N	M
AR-17	4	H	L	Y	N	Y	H
AR-18	2	M	L	Y	N	Y	H
AR-19	2	M	M	Y	N	Y	M
AR-20	3	M	L	Y	N	Y	M
AR-21	2	M	L	Y	N	Y	H
AR-22	2	M	L	Y	N	Y	H
AR-23	2	M	L	Y	N	Y	H
AR-24	2	M	L	Y	N	Y	H

Notes: H = High. L = Low. M = Medium. N = No. N/A = Not applicable. Y = Yes.

### **Explanation of Priorities**

High Priority = A project that meets multiple objectives (i.e., multiple hazards), benefits exceeds cost, has funding secured or is an on-going project and project meets eligibility requirements for the Hazard Mitigation Grant Program (HMGP) or Pre-Disaster Mitigation Grant Program (PDM) programs. High priority projects can be completed in the short term (1 to 5 years).

Medium Priority = A project that meets goals and objectives, benefits exceeds costs, funding has not been secured but project is grant eligible under, HMGP, PDM or other grant programs. Project can be completed in the short term, once funding is completed. Medium priority projects will become high priority projects once funding is secured.

Low Priority = Any project that will mitigate the risk of a hazard, benefits do not exceed the costs or are difficult to quantify, funding has not been secured and project is not eligible for HMGP or PDM grant funding, and time line for completion is considered long term (1 to 10 years). Low priority projects may be eligible other sources of grant funding from other programs. A low priority project could become a high priority project once funding is secured as long as it could be completed in the short term.

Prioritization of initiatives was based on above definitions: Yes

Prioritization of initiatives was based on parameters other than stated above: Not applicable.

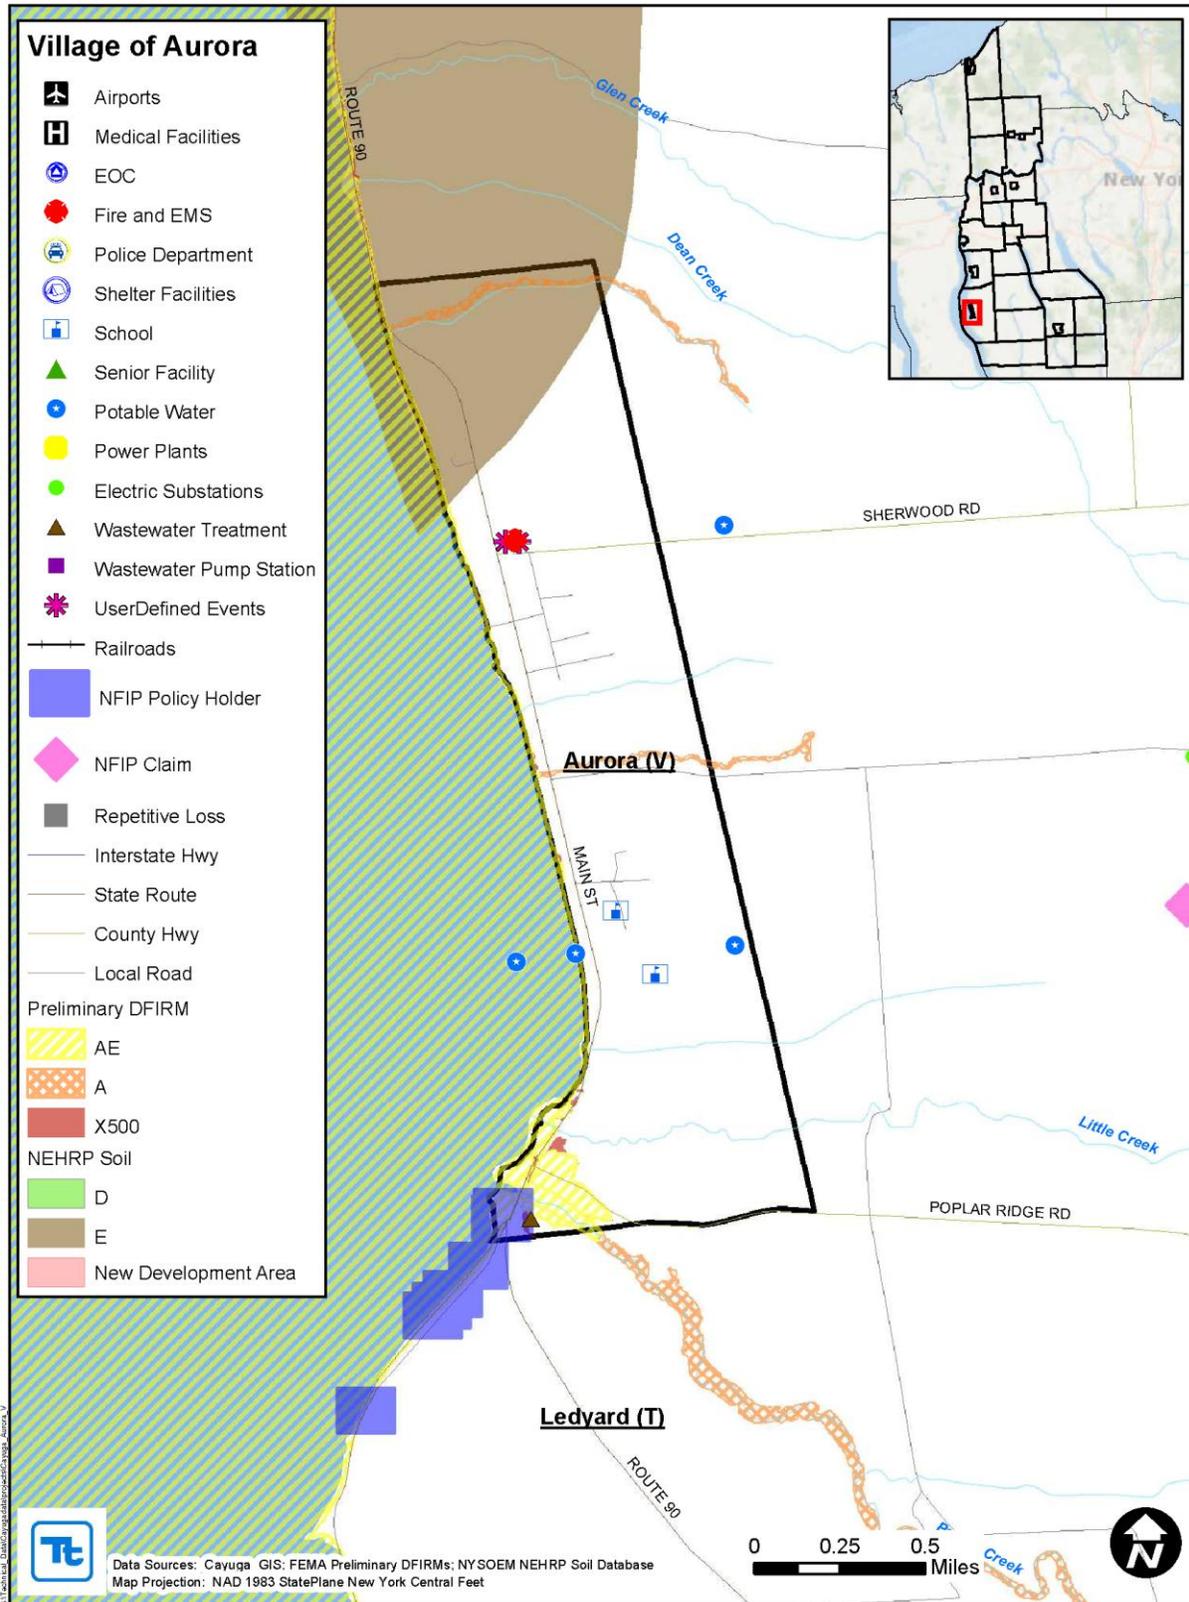

### **H.) FUTURE NEEDS TO BETTER UNDERSTAND RISK/VULNERABILITY**

No information at this time.

### **I.) HAZARD AREA EXTENT AND LOCATION**

A hazard area extent and location map has been generated for the jurisdiction to illustrate the probable areas impacted within the municipality and is provided on the next page. This map is based on the best available data at the time of the preparation of this Plan, and is considered to be adequate for planning purposes. Maps have only been generated for those hazards that can be clearly identified using mapping techniques and technologies, and for which the jurisdiction has significant exposure. The Planning Area maps are provided in the hazard profiles within Section 5.4, Volume I of this Plan.

**SECTION 9.4: VILLAGE OF AURORA**

**J.) ADDITIONAL COMMENTS**

No additional comments at this time.

**K.) NFIP ADMINISTRATOR INPUT**

**1. Planning and Regulatory**

The Village of Aurora joined the NFIP on September 7, 2012, and is currently an active member of the NFIP. Flood Insurance Rate Maps have been in effect for the community since April 15, 1980. The Village of Aurora is proactive in floodplain management with ordinances meeting minimum requirements. (Copies of Village of Aurora Local Law #1 of 1998, Flood Damage Prevention/ Village of Aurora Local Zoning Law of 2008 available upon request.)

The Village of Aurora has not completed Community Assistance Visits (CAV). As of December, 2012, there is no need for a CAV. The Village of Aurora has no outstanding compliance issues.

**2. Administrative and Technical Staff**

The Village of Aurora has identified personnel to manage and uphold the Village's compliance with the NFIP. While the Village has no dedicated staff for this function, the supplementary staff for which NFIP is an auxiliary duty include: Ann Balloni, Village Clerk/ Floodplain Manager; Kurt Wilmot, DPW Superintendent; and George Farenthold, Safety Committee Chair. These staff members complete numerous tasks in order for the Village to be in compliance with NFIP standards, including quarterly review by the Safety Committee.

**3. Financial**

As of April 10, 2013, there are three policies enforced within the Village of Aurora. All of the three policies enforced are located within the Special Flood Hazard Area (SFHA), and none are located outside the SFHA.

**4. Educational**

None at this time.

**5. Actions to Strengthen the Program**

None at this time.
