CAYUGA COUNTY TITLE VI PLAN & NONDISCRIMINATION AGREEMENT

Title VI/Non-Discrimination Policy Statement

It is the express policy of Cayuga County, hereinafter referred to as "the County," that no person shall on the grounds of race, color, national origin, age, disability, gender, or income as provided by Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987 (P.L. 100.259), Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, Executive Order 12898 (Environmental Justice (EJ)), and Executive Order 13166 (Limited English Proficiency (LEP)) be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance. The County further assures every effort will be made to ensure nondiscrimination in all of its programs and activities, whether those programs and activities are federally funded or not.

The Civil Rights Restoration Act of 1987, broadened the scope of Title VI coverage by expanding the definition of terms "programs or activities" to include all programs or activities of Federal Aid recipients, sub-recipients, and contractors/consultants, whether such programs and activities are federally assisted or not (Public Law 100259 [S.557] March 22, 1988.)

Pursuant to the requirements of Section 504 of the Rehabilitation Act of 1973 (29 USC 794), the County hereby gives assurance that no qualified disabled person shall, solely by reason of their disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination, including discrimination in employment, under any program or activity that receives or benefits from Federal financial assistance.

In the event the County distributes federal aid funds to a sub-recipient, the County will include Title VI language in all written agreements and will monitor for compliance.

The County Administrator is responsible for initiating and monitoring Title VI activities, preparing reports and other responsibilities as required for Title VI assurance compliance.

County Administrator or Designee

Date

1. Introduction

Title VI of the Civil Rights Act of 1964, is the overarching civil rights law that prohibits discrimination based on race, color, or national origin, in any program, service or activity that receives federal assistance. Specifically, Title VI assures that, “No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefit of, or be otherwise subjected to discrimination under any program or activity receiving federal assistance.” Title VI has been broadened by related statutes, regulations and executive orders. Discrimination based on sex is prohibited by Section 324 of the Federal-Aid Highway Act, which is the enabling legislation of the Federal Highway Administration (FHWA). The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 prohibit unfair and inequitable treatment of persons as a result of projects which are undertaken with Federal financial assistance. The Civil Rights Restoration Act of 1987 clarified the intent of Title VI to include all programs and activities of federal-aid recipients and contractors whether those programs and activities are federally funded or not.

In addition to statutory authorities, Executive Order 12898, “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations,” signed in February of 1994, requires federal agencies to achieve Environmental Justice as part of its mission by identifying disproportionately high and adverse human health or environmental effects of its programs, policies, and activities on minority populations and low-income populations. Environmental Justice Initiatives are accomplished by involving the potentially affected public in the development of transportation projects that fit within their communities without sacrificing safety or mobility. In 1997, the U.S. Department of Transportation (USDOT) issued its DOT Order to Address Environmental Justice in Minority Populations and Low-Income Populations to summarize and expand upon the requirements of Executive Order 12898 on Environmental Justice. Also, Executive Order 13166, “Improving Access to Services for Persons with Limited English Proficiency (LEP),” provides that no person shall be subjected to discrimination on the basis of race, color, or national origin under any program or activity that receives Federal financial assistance.

As a recipient of federal financial assistance, Cayuga County must provide access to individuals with limited ability to speak, write, or understand the English language. The County must not restrict an individual in any way from the enjoyment of any advantage or privilege enjoyed by others receiving any service, financial aid, or other benefit under its programs or projects. Individuals may not be subjected to criteria or methods of administration which cause adverse impact because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program because of race, color or religion. Therefore, the primary goals and objectives of the Title VI Program are:

- A. To assign roles, responsibilities, and procedures for ensuring compliance with Title VI of the Civil Rights Act of 1964 and related regulations and directives;
- B. To ensure that people affected by the programs and projects receive the services, benefits, and opportunities to which they are entitled without regard to race, color, national origin, age, sex, or disability;
- C. To prevent discrimination in programs and activities, whether those programs and activities are federally funded or not;
- D. To establish procedures for identifying impacts in any program, service, or activity that may create an illegal adverse impact on any person because of race, color, national origin, age, sex, or disability; or on minority populations, low-income populations, the elderly, persons with disabilities, all interested persons and affected Title VI populations;
- E. To establish procedures to annually review Title VI compliance within specific program areas within the Highway Department;

- F. To set forth procedures for filing and processing complaints by persons who believe they have been subjected to illegal discrimination under Title VI in a Cayuga County Highway Department service, program or activity.

2. **Definitions**

Sub-recipient: a person or entity that received federal funds from the County to be used by the entity to further the objectives of the federal funds. The County in many cases is the "Sponsor", "Contractor" or "Recipient" of the federal funds and the person or entity is a Sub-recipient of those federal funds.

Title VI Assurances: requirements imposed upon sub-recipients as a result of federal funding being directly or indirectly provided to the County.

Title VI Requirements: the non-discrimination provisions contained in Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973, and Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency".

Discrimination under Title VI

There are two types of illegal discrimination prohibited under Title VI and its related statutes. One type of discrimination which may or may not be intentional is "disparate treatment." Disparate treatment is defined as treating similarly situated persons differently because of their race, color, national origin, sex, disability, or age.

The second type of illegal discrimination is "disparate impact." Disparate impact discrimination occurs when a "neutral procedure or practice" results in fewer services or benefits, or inferior services or benefits, to members of a protected group. With disparate impact, the focus is on the consequences of a decision, policy, or practice rather than the intent.

The department's efforts to prevent such discrimination must address, but not be limited to, a program's impacts, access, benefits, participation, treatment, services, contracting opportunities, training, investigation of complaints, allocation of funds, prioritization of projects, and the overarching functions of planning, project development and delivery, right-of-way, construction, and research.

The Human Resources Department has developed this Title VI Plan to assure that services, programs, and activities of the department are offered, conducted, and administered fairly, without regard to race, color, national origin, sex, age, or disability of the participants or beneficiaries of federally funded programs, services, or activities.

A complaint may also be filed by a representative on behalf of such a person.

The following procedures apply to complaints filed under Title VI, relating to any program and/or activity administered by Cayuga County, their recipients and/ or sub-recipients. These procedures do not deny the right of the complainant to file a complaint with other local, State or Federal agencies or to seek private counsel for complaints alleging discrimination. These procedures are part of an administrative process that does not provide for remedies that include punitive damages or compensatory remuneration for the complainant.

Every effort will be made to obtain early resolution of Title VI complaints. The option of informal meeting(s) between the Title VI Coordinator, County staff, contractors, sub-recipients, and affected parties may be utilized for resolution at any stage of the process.

A. **Complaint Reporting**

A complaint may also be filed by a representative on behalf of such a person. All complaints will be referred to the Human Resources Administrator for review and action.
- 2). Complaints should be filed within 180 days of the alleged discrimination. If the complainant could not reasonably be expected to know the act was discriminatory within the 180 day period, you have 60 days after you became aware to file your complaint.

If necessary, the County Administrator or Human Resources Administrator will assist the complainant in reducing the complaint to writing and submit the written version of the complaint to the person for signature. The complaint shall then be handled in the usual manner.
- 4). Within 10 days, the County Administrator or Human Resources Administrator will acknowledge receipt of the allegation, inform the complainant of action taken or proposed action to process the allegation, and advise the complainant of other avenues of redress available, such as the FHWA and the USDOT.

In either case, the County Title VI Coordinator may extend the time for filing or waive the time limit in the interest of justice, specifying in writing the reason for doing so.

C. Receipt & Acceptance

Upon receipt of the complaint, the County Administrator's Office will refer the complaint within five ("5") business days to the Cayuga County Human Resources Administrator for determination of whether the County has jurisdiction over the complaint, whether the complaint contains the necessary information, what additional information is needed, and whether further investigation is needed. The Cayuga County Human Resources Administrator will notify the Complainant, in writing within ten ("10") days of receipt of the complaint informing the complainant of procedures to be followed and advise of other avenues of redress available. The Title VI Compliance Officer(s) for Cayuga County are:

At a minimum the investigation should include the notification to the applicable department head; notification to the respondent and complainant with an opportunity to respond, in writing, to the allegations of discrimination; conduct interviews; and collect and analyze evidence. The complaint should be resolved by informal means and at the lowest administrative level whenever possible. Such informal attempts and their results will be summarized in the report of findings.

Within 90 days of receipt of the complaint, if a Title VI violation is found to exist and Cayuga County has jurisdiction to process the complaint, remedial steps as appropriate and necessary will be taken immediately. The Cayuga County Human Resources Administrator will forward a copy of the summarized report of findings along with any remedial steps. The notification should also advise the complainant of their appeal rights with other local, State and/ or Federal agencies, if the complainant(s) are dissatisfied with the final decision rendered by Cayuga County. The federal regulatory authority for requiring nondiscrimination has its basis in Title VI of the Civil Rights Act of 1964, Executive Order 12898 {Environmental Justice (EJ)}, and Executive Order 13166 {Limited English Proficiency (LEP)}. {Additional information on these statutes and regulations can be found in Appendix D of this document}.

Cayuga County's Title VI Policy Statement

Cayuga County assures that no person shall on the grounds of race, color, national origin, age, disability, gender, or income as provided by Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987 {P.L.100.259}, Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, Executive Order 12898 {Environmental Justice (EJ)}, and Executive Order 13166 {Limited English Proficiency (LEP)} be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance. Cayuga County further assures every effort will be made to ensure nondiscrimination in all of its programs and activities, whether those programs and activities are federally funded or not.

In the event Cayuga County distributes federal aid funds to another governmental entity, Cayuga County will include Title VI language in all written agreements and will monitor programs and activities for compliance.

Overview of Monitoring Requirements

As per Cayuga County's Title VI Policy and federal regulations regulating Cayuga County, Title VI provisions are a standard part of all agreements between Cayuga County and sub-recipients of federally funded programs. Cayuga County's Title VI monitoring process begins at the time of Agreement execution, continues during the duration of the project, and is completed when the project wraps up and the Agreement is expired. During this time, Cayuga County monitors information provided by each sub-recipient, retaining the right to conduct an audit should Cayuga County suspect the sub-recipient is not in compliance. If Cayuga County determines that a sub-recipient is not in compliance with Title VI, the Title VI Coordinator and assigned staff will work with the sub-recipient to correct the deficiency. This may include providing technical assistance.

If the sub-recipient does not correct the deficiency, Cayuga County may take corrective action or implement other remedies as provided in the executed agreement. Specific requirements are detailed below:

- Complete a Post-Contracting Stage Title VI questionnaire at the completion of the project. Cayuga County uses the questionnaires to assess the [SUB-RECIPIENT]'s compliance with Title VI requirements.
- [SUB-RECIPIENT] shall provide Cayuga County with any additional information that Cayuga County requests in regard to Title VI compliance.
- [SUB-RECIPIENT] shall also permit Cayuga County to access its records up to and including accounting records that are pertinent to Cayuga County substantiating [SUB-RECIPIENT]'s compliance with Title VI.

Non-discrimination Policy, Statement, and Assurance

Sub-recipient Statements of Nondiscrimination must include:

- The Statement of Nondiscrimination must state: "[SUB-RECIPIENT] assures that no person shall, on the grounds of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance."
- The Statement of Nondiscrimination may be more inclusive than the language listed above, but it cannot be more exclusive.
- Publicly post the Statement of Nondiscrimination on the County's website and in County buildings.
- If your agency/organization has not adopted the Title VI Nondiscrimination policy developed by Cayuga County and does not have an agency specific non-discrimination policy as stated in a Statement of Nondiscrimination, then [SUB-RECIPIENT] must notify Cayuga County prior to execution of the Agreement. If [SUB-RECIPIENT] does not develop and/or adopt such a policy and statement prior to the execution of the Agreement, then [SUB- RECIPIENT] must use and adhere to Cayuga County's nondiscrimination policy and statement.
- Provide a written copy of [SUB-RECIPIENT]'s Statement of Nondiscrimination to Cayuga County upon completion of the post-contracting stage questionnaire.

Title VI Plan and Complaint Procedures

In order to reduce the administrative burden associated with this requirement, sub-recipients may adopt the Title VI Plan and Complaint Procedures after the one developed by Cayuga County; however, sub-recipients that chose to adopt their own Title VI Plan that includes a Public Participation Plan (PPP), a Limited English Proficiency (LEP) Plan, and a Title VI Complaint Procedure. The Title VI Plan, and its attendant parts, must comply with Federal guidelines regarding such plans. Sub-recipient Title VI Plan and Complaint Procedures must include:

- Provide a copy of the Title VI Plan, including the PPP, LEP Plan, and Complaint Procedure and Complaint Form upon completion of the Post Contracting Stage Title VI Questionnaire.
- Make the Title VI Plan, including the PPP, LEP Plan, and Complaint Procedure and Complaint Form publicly available, which includes posting each of these documents to [SUB-RECIPIENT]'s website if it has one, and informing attendees at any public meetings, hearings, or other events related to the work under the Agreement of their rights under Title VI and the procedures for filing a Title VI complaint.
- If [SUB-RECIPIENT] does not have a federally compliant Title VI Plan, including the PPP, LEP Plan, and Complaint Procedure, and Complaint Form then [SUB-RECIPIENT] must notify Cayuga County of this prior to the execution of the Agreement, and [SUB-RECIPIENT] must use Cayuga County Title VI Plan, PPP, LEP Plan, and Complaint Procedure and Complaint Form.

Procurement - RFPs, RFQs, and Subcontracts

- If [SUB-RECIPIENT] has a federally compliant, competitive procurement process, the [SUBRECIPIENT] is required to provide a copy of the written procurement procedures to Cayuga County.
- If [SUB-RECIPIENT] does not have a federally compliant, competitive procurement process, the [SUBRECIPIENT] is required to follow Cayuga County procurement procedures.

If, as part of the Agreement, the [SUB-RECIPIENT] enters into any subcontracts, leases, or other sub-agreements regarding the work under the Agreement, [SUB-RECIPIENT] must follow the requirements listed below. Include the [SUB-RECIPIENT]'s Statement of Nondiscrimination in all procurement documents, such as Request for Proposals (RFP), Request for Qualifications (RFQ), and other procurement documents that it issues under the Agreement.

[SUB-RECIPIENT] will ensure that all of its subcontractors are made aware of these requirements and will include these provisions as a part to any subcontract that [SUB-RECIPIENT] enters into under the Agreement.

8. Data Collection

Cayuga County is required to develop procedures for the collection of statistical data of participants in and beneficiaries of County related programs (relocates, impacted citizens and affected communities). 49 CFR 21.9(b) requires sub-recipients to maintain records and submit to NYSDOT information necessary for NYSDOT to determine whether the sub-recipient is complying with the terms and conditions set forth in the Nondiscrimination Agreement for receiving Federal financial assistance.

Cayuga County shall collect and review relevant data and information in order to assess its implementation of and compliance with its Title VI Program. The County shall also provide data and information to federal agencies as required by federal regulations.

As requested, the County shall provide agencies from which it receives federal funding/assistance access to data and information necessary to ascertain its Title VI compliance, including access to pertinent books, records, accounts, facilities, and other sources of information. The County shall also provide data and information as required by 28 C.F.R. § 42.406 as requested in conjunction with a new application for federal funding, an application for continuance or renewal of funding with specific projects or significant changes, and at other times appropriate under the regulation.

The County shall reasonably gather, analyse, and retain statistical data on the race, color, national origin, sex, age, income, and disability status of beneficiaries of its services and programs. The County shall identify the programs and services most appropriate for analysis. The County shall analyse the data to determine whether benefits from County services are fairly distributed, especially among minority and low-income populations.

To assist the County in analysing fair distribution of benefits and burdens, each department within the County shall maintain relevant data on identified programs appropriate for analysis. Additionally, if the County extends federal funding/assistance to a sub recipient, the sub recipient shall collect, retain, and submit such data to the County in order to enable the County to carry out its civil rights compliance obligations. Data submitted by sub recipients shall also be incorporated into the County's comprehensive analysis.

Self-Identification: From time to time, the County may find it necessary to request voluntary identification of racial, ethnic, or other relevant information from those who participate in its public events or utilize its services. This information will assist the County in improving its targeted outreach and measures of effectiveness. Self-identification of personal information to the County will always be voluntary and anonymous. Moreover, the County will not release or otherwise use these data in any manner inconsistent with federal and state regulations.

Race and Ethnicity Codes: Self-identification surveys shall include the following race and ethnicity codes, in the combined format as structured by the federal Office of Management and Budget:

American Indian or Alaska Native
Asian or Pacific Islander
Black or African American
Hispanic or Latino

Multiracial or Other
Native Hawaiian or other Pacific Islander
White (not of Hispanic origin)

- All surveys shall note that participants may include multiple responses.

9. **Cayuga County Limited English Proficiency (LEP) Plan**

Cayuga County's Language Assistance Plan for Limited English Proficiency (LEP) was prepared in December 2016 to address Cayuga County's responsibility as a recipient of federal financial assistance as it relates to meeting the needs of individuals with limited ability to read, write, speak, or understand the English language. This order establishes the policy and guidance for Cayuga County's Limited English Proficiency (LEP) Plan, as required by Section 2 of Executive Order 13166.

It is the County's policy to provide meaningful access to its programs and services to persons who, as a result of national origin, are limited in English proficiency. LEP persons are those whose proficiency in speaking, reading, writing, or understanding English, as a result of national origin, is such that it would deny or limit their meaningful access to programs and services provided by the County if language assistance were not provided. The County has taken a number of steps, outlined in this document, to assist LEP individuals in accessing County programs and services and is committed to improving access.

Executive Order No. 13166, "Improving Access to Services for Persons With Limited English Proficiency," was adopted to "... improve access to federally conducted and federally assisted programs and activities for persons who, as a result of national origin, are limited in their English proficiency (LEP)..."¹ President Bush affirmed his commitment to Executive Order 13166 through a memorandum issued on October 26, 2001, by then Assistant Attorney General for Civil Rights Ralph Boyd.²

The County will, according to section 1 of the executive order, "examine the services it provides and develop and implement a system by which LEP persons can meaningfully access those services consistent with, and without unduly burdening, the fundamental mission of the agency."³ The County is therefore adopting this LEP Plan to guide its efforts to improve the access the County currently provides to LEP persons.

After reviewing the 2008-2012 U.S. Census Bureau data from the American Community Survey and the 2000 U.S. Census, Cayuga County determined that the following languages are representative of persons who may identify their English-speaking ability as "not well" or "not at all" as being LEP: Spanish or Creole and other Indo-European languages.

Cayuga County uses strategic approaches to customer service by distributing documents and information in languages other than English. Employees who speak more than one language have volunteered to assist in oral communications and protocols involving languages other than English. These employees may be called upon for assistance in oral communication with visitors or callers. Their activities do not cover translation of written materials, although they may review translations. The County posts signs in both Spanish and English at high-traffic areas within the County Office Building.

Cayuga County's Title VI information and compliant procedures shall be included on the Cayuga County website: www.cayugacounty.us. Federal Agencies and representatives may request a copy of the plan via telephone, fax, mail, or in person and shall be provided a copy of the plan at no cost. Cayuga County will make reasonable efforts to provide a translated plan at no cost to EP persons upon request.

Safe Harbor Provision

As of the date of this Title VI Plan, several federal agencies including the US HUD and US DOT have adopted the US Department of Justice's Safe Harbor Provision, which in the context of this Title VI Plan would apply to Cayuga County's efforts to comply with respect to the needed translation of vital written materials for LEP persons. The safe harbor provision does not affect the requirement to provide meaningful access for LEP individuals through competent oral interpreter where oral language services are needed and are reasonable.

10. **Title VI – Non-Discrimination Training**

All new employees must review the Title VI – Non-Discrimination power point presentation located on the County Website within 60 days from date of employment.

Cayuga County's Title VI Coordinator is responsible for advising all employees regarding available training in support of Title VI. It is the responsibility of the Title VI Coordinator to schedule training in such a way that appropriate notices and announcements are made to agency staff. The training is reviewed and updated as necessary by the Title VI coordinator.
