

Local Seasonal Flu Clinics

The Cayuga County Health Department wants to notify the public of other Seasonal Flu Clinics being held within the County.

If you do not attend one of the Health Department flu clinics you can contact your primary health care provider to receive the vaccine.

Local pharmacies are also holding Seasonal Flu Clinics.

Kinney Drugs plans on hold clinics at their stores in Cayuga County. The charge for Seasonal Flu is \$30 and \$45 for pneumococcal vaccine. The store will bill Medicare Part B. Clinics at Kinney Drugs are as follows:

Moravia – September 28 and October 6

Weedsport – October 3

Auburn (Owasco St) – October 3 and October 8

Auburn (State St) – September 30 and October 10

Walgreens Pharmacies plan to provide Seasonal Flu shots on a walk-in basis. They do not have specific times where clinics will be held. You should be able to walk-in and receive the flu shot. Individuals may have to wait until a pharmacist is available. They suggest calling ahead and allowing yourself extra time in case you have to wait. Seasonal Flu shots should be available at any Walgreens through November. The cost is \$24.99. They will bill Medicare Part B. Private insurances can be billed, but most do not cover Seasonal Flu, so plan to pay.

Walgreens has two locations in Auburn:

301 Genesee St, 258-9702

150 Grant Ave, 704-0293
