RE: Recent Scam Email

Sheriff David Gould reports that recently members of the public have reported receiving an email as pictured below that appears to be from Cayuga County Government and asking the recipient to support a gofundme campaign.

This email is a fraud.

Cayuga County government does NOT solicit donations or request support of gofundme campaigns. The Sheriff's Office recommends NOT responding to or acting on any email requesting your personal information or donations unless you know it to be from a legitimate source.

Subject: Help Support Charles

Dear Member,
One of our members is in dire need of the entire Cayuga County help and it will really be appreciated if we all can join hands together and save her baby. A Gofundme campaign has been created and we are counting on the entire family to come together and help her raise the funds needed. Below is the fundraising campaign, thank you for your support in advance. No amount is too small and any amount donated out of the kindness of your heart will be highly appreciated.
