STOPPED

Sheriffs Telling Our Parents
&
Promoting Educated Drivers

Sheriff David Gould thanks to the assistance of Onondaga County Sheriff Kevin Walsh has adopted the **STOPPED** program for the benefit of all those interested in participating in Cayuga County.

The purpose of the program is to instill responsibility in young drivers through identification.

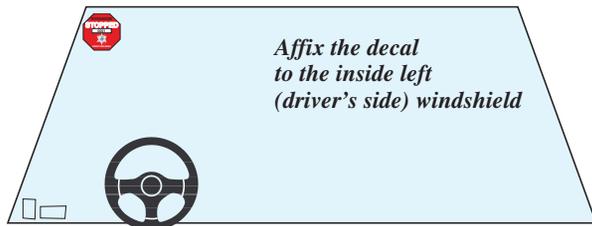

This is a collaborative effort teaming parents with the police to curtail illegal and dangerous activity often associated with inexperienced drivers between the ages of 16 and 21.

The statistics concerning young drivers involved in serious injury and fatal motor vehicle accidents are a glaring example of why we must act now.

The **Cayuga County Sheriff** offers this voluntary notification system to parents with the help of the **Independent Insurance Agents and Brokers of New York** who provided initial funding.
