- **Jim Orman (Treasurer) –**
 - A. This year the accounting team conducted approximately **34,900** transactions. They also processed about **32,800** checks. Our payroll team has processed about **22,200** checks. Also, our accounting team has added three new personnel to replace others and this has greatly improved our efficiency and efforts. This has been accomplished under the direction of Mary Beth Leeson.
 - B. The tax collection team conducted over **24,900** transactions. Also, we have sent out second notices for tax liens owed for the fifth year in a row. This has reduced taxes in arrears owed. This has been done under the direction of Jennie Indelicato.
 - C. During 2009 we initiated efforts to have the County’s bond rating reviewed. The rating at that time was **Baa with a negative outlook**. Our rating was successfully upgraded and continues to be an **A1**. This has allowed the County to borrow monies at a reduced rate since then. Through 2018 these collective efforts have resulted in a total savings of over \$1,900,000.

D. Nine years ago we instituted organizational changes within our office that would affect the tax levy in a positive manner. These changes were completed with the assistance of Ways & Means and the full legislature. We re-organized within our office and effectively down-sized our office while increasing efficiency. I am pleased to report the cumulative savings over this period of time is now over **\$1,200,000.**
