

AGENDA: Parks Commission
Wednesday, May 22, 2019 - 6:30 PM

Location: Joseph F. Karpinski Sr. Educational Center at the Ward O'Hara Agricultural Museum

1. Approve/Correct Minutes from the April 24, 2019 meeting.
2. We had 1 resolution for April: Resolution 144-19 was passed at the 4/23/19 Legislative meeting "Authorizing an agreement with Auburn YMCA-WEIU allowing for the operations of Auburn Little League at Emerson Park" The term is October 2019 through September 2024 in exchange for \$1 for each year approved.
3. We have no resolutions for May.
4. Emerson Park:
 - A. The Agricultural Society would like to propose permanent storage structures for the gates and pens for the livestock that are currently stored behind the park maintenance building. Lindsey Gerstenslager will present plans.
 - B. CFA Grant for the Deauville Island improvements:
 1. TWMLA (landscape architects) Final design plans for the new pathway system will be submitted 5/21. OPRHP has provided guidance on draft drawings, final drawings will be submitted upon receipt. Bidding for paving and playground construction will follow the approval process.
 2. Park Programming Initiative: Biederman Redevelopment Ventures will provide a status update to the county on 5/16 to Parks & Planning. Information will be shared at the 5/22 Parks Commission meeting.
 - C. A park patron has requested the Parks Commission revisit the dawn to dusk policy as the individual and family members have been asked to leave the park by law enforcement while fishing after dark.
 - D. The Ag Museum sewer pit: Installed 5/6, now is operational.
 - E. Riparian buffer zones: Emerson Park would like to begin establishing vegetative buffer zones along the channel that surrounds Deauville Island (see attached map). These consist of plantings obtained from the NYS DEC Buffer in a Bag program. In addition to seedlings Parks staff would like permission to further establish this zone by refraining from mowing a zone of 20-30' from the high water level where appropriate to allow the zone to repopulate with vegetation with more significant root systems to stabilize the area. Mowed fishing accesses will be maintained and ongoing evaluation of the zone will be managed with assistance for the Watershed Inspection program staff.
 - F. Painting of the exterior of the Merry Go Round theater has been awarded. Start date is under negotiation.
 - G. Pavilion RFP; Final recommendations for inclusion in the document to be submitted will be accepted at this meeting.

6. Sterling Nature Center (Jim D'Angelo Director PT):

Sterling Nature Center Director's Report, Jim D'Angelo

- A. Jim has a base schedule of Thursday - Sunday for June this will fluctuate as needed for meetings, programs and other work. Jim is scheduled 110hrs for June.
- B. Lake shore:
 - o Erosion continues with high rain fall and lake levels.
 - o We are monitoring bluffs and adjacent trails condition to ensure visitor safety
 - o We have redirect/moved trails in four places further away from the bluff and will continue as needed.
 - o Most of this erosion is related to the high water two years ago eroding the base of the bluff and the wet spring causing the bluff to slump.
- C. Lake View Deck; Paul is working on a plan to move it back from the edge. It is only three feet from the edge of the bluff to the front support pylon.
- D. Fair Haven May Day, May 19, 2019 11am-3pm: Funds from the raffle and other activities at the event are being donated to the Nature Center. We will have an information booth set up at the event.
- E. Art Inspiration June 2, 2019 is one of the Friends annual events and fundraisers
- F. 59 local business have donated \$2,450 to sponsor the event
- G. \$120 in other donations
- H. \$300 value of donated items
- I. Vandalism: Lake View Deck was spray painted. Dogwood Road, a sign was removed and cables preventing ATV access were cut and removed. This is a continuation of last year's illegal ATV use of this area.

7. Owasco Flats:

A. No report.

8. Trail Update:

- A. The Auburn Fleming Trail: 4 maintenance requests received and completed. Some nuisance beaver activity is being monitored.
- B. The Cato-Fair Haven Trail: The Oswego Valley ATV club has begun trail maintenance, unfortunately it has consisted of disc tilling the trail surface. They have plans to level the surface. As of 5/15 this has not been completed. They have been notified that this not an

acceptable condition to leave the trail. Parks staff will rake sections of the trail as they dry sufficiently to access with equipment. Highway will roll sections as conditions allow.

- C. Cato Brutus Trail bridges: DEC and Army Corps of Engineers have been contacted to update and extend permits and plans for both sites. 3 vendors have provided quotes on cost effective bridge designs to complete this section of trail. Mobilization, site work and crane quotes are being sought for a total budget comparison. The Planning Department has identified a CFA opportunity that could be applied for with the intent of completing this project.

9. New Business

- A. Parks Commission member search; Susan Rusinko has been nominated for the vacant position representing the City of Auburn.
