Development Authority

Hon. Aileen McNabb-Coleman  
Chairperson of the Legislature  
Cayuga County Office Bldg.  
160 Genesee Street  
Auburn, New York 13021

January 12, 2021

Hon. McNabb-Coleman,

We would like to take this opportunity to thank you and all women and minority business owners/ leaders, who work every day to make our city and county a better place to live. The contributions that are made strengthen the perception that Auburn is a wonderful area to find roots and grow within our community.

This letter is to inform you that the Auburn Industrial Development Authority (AIDA) at our last meeting had a discussion on the impact of Mr. Dennison’s public comments on at least two occasions this past year. When a public representative uses their position to vilify the hard working citizens in our community it has far reaching effects. One of the areas it has a large impact on is Industrial and Economic Development. It should be noted that when a new business is looking at our community to locate, one of the first things they do is subscribe to the local newspaper. If they observe a potential problem with the local leadership, they take a very dim view as it relates to relocation.

We would like it noted on the record, that Mr. Dennison’s verbal abuse of the good citizens of our community has consequences. These consequences not only impact individuals, but the good name that our community has worked so hard to achieve. I would further note that the decision for this request was unanimous by the AIDA board, and the sentiments are also held by the below listed economic development supporters.

Respectfully,

James A. Dacey  
Chairman  
Auburn Industrial Development Authority
