RESOLUTION NO. _____ 02/23/21 HD Create & Fill Sup. Public Health Admin

Authorization to create and fill a Supervising Public Health Administrator Position in the Public Health Department

BY: Hon. Elane Daly, Chair Health and Human Services
Hon. Keith Batman, Chair Ways and Means

WHEREAS, the Director of Public Health has received the resignation of a contracted senior staff member who has been instrumental in establishing and managing the COVID response team as well as other complex administrative functions; and

WHEREAS, it is crucial, in light of any resignation, to critically evaluate the staffing needs of the department, not just in midst of the COVID pandemic, but in the planning for future succession, and the departments' ability to provide mandated community health functions for the county residents; and

WHEREAS, it is equally important to be fiscally responsible when requesting authorization to make changes in staffing; and

WHEREAS, after an in-depth evaluation of staffing levels in each of the mandated areas, the Director of Public Health is requesting the authorization to create and fill a Supervising Public Health Administrator; and

WHEREAS, in order to fund the newly created Supervising Public Health Administrator position, the current funded, but vacant since July 2020, FT Public Health Nurse position will be un-funded in the Public Health Department 2021 Budget in the FT salary line 40101 51001: and

WHEREAS, resolution 08-21 authorized the filling of 3 senior level nurses in the Health Department, and

WHEREAS, it is the intent of the Public Health Director to maintain and not exceed the FT funded headcount of the Department of Public Health as authorized in the 2021 budget; and

WHEREAS, a New Position Duties Statement submitted to the Cayuga County Civil Service Commission was reviewed, and the Commission determined that the job responsibilities are in line with the job duties of a Supervising Public Health Administrator in the Competitive Class, and classified it as such; now therefore be it

RESOLVED, that resolution 08-21 hereby be amended to reduce the authorization to fill three senior level nurses to two senior level nurse positions; and be it further

RESOLVED, that the Cayuga County Legislature creates a Supervising Public Health Administrator position (Grade 33 of the CSEA Bargaining Unit) in the Department of Public Health with the jurisdictional class allocation being Competitive; and be it further

RESOLVED, that one senior level nurse position be unfunded effective with the appointment of the Supervising Public Health Administrator; and be it further

RESOLVED, that the newly created Supervising Public Health Administrator position be funded in the Public Health Department 2021 budget in the FT salary line 40101 51001; and be it further

RESOLVED, that the Public Health Director is hereby authorized to fill the Supervising Public Health Administrator position, and any fill behinds in accordance with the Civil Service Rules and Regulations and the Policies of the County of Cayuga; and be it further

RESOLVED, that the County Treasure be authorized to make any appropriate journal entries in accordance with the execution of the intent of this resolution.

Authorization to Create/Fill

A copy of this completed form MUST be attached to ALL Civil Service MSD-426 forms when filling a position.

Date	2/2/2021
Authorization To:	Create and Fill **
** New Position Duties Statement (NPDS) - Short Form REQUIRED IF the title exists within the department	
** New Position Duties Statement (NPDS) - Long Form REQUIRED IF the title does NOT exist within the department	
Do you anticipate this request to result in fill-behinds?	Yes
Cayuga County Department	Public Health
Job Title Being Requested (Exact Civil Service Title)	Supervising Public Health Administrator
Position Status	Permanent
Position Designation	Full-Time
Budget Account Number	40101 51001
Is a position being abolished to create the new position?	No
Is the salary of requested position in the current comp plan?	Yes
Comp Plan Requested IS IN	CSEA
CSEA Grade	33
Probationary Salary Amount	64,676
Step 4 Amount (CSEA)	71,978
Starting Salary for Position Requested	64,676

Justification for Salary Requested

The salary requested is the probationary step of a Grade 33 position in the CSEA bargaining unit. The Supervising Public Health Administrator position is in line with other Grade 33 positions in the CBA that require a master level education as well as supervisory experience not just over staff, but complex program areas.

The Health Department is requesting to fill the Supervising Public Health Administrator position instead of a Public Health Nurse, and the Public Health Nurse starting salary is \$65,026, therefore the Grade 33 CSEA position is comparable.

Does position include fringe benefits?

Yes

What is the justification for filling this position AND why is it important for your department?

There has been a recent resignation of a key contracted senior staff member who has been instrumental in establishing and managing the COVID 19 contact tracing response team as well as other complex administrative functions. This resignation prompted an in-depth look at the department as a whole, and the evaluation revealed a need for a supervisory leadership position to assume the senior staff member duties, as well as some of the duties of the Director. This position will allow for efforts to be made toward a succession plan for department leadership.

How is this position funded?

Budget

Is this a reimbursed position?

Yes

How is this position reimbursed (percentage, dollar amount)?

36%

What will the fiscal impact of filling this position in your budget this year and in future fiscal years?

It is vital to be fiscally responsible, therefore in order to fund this position, which is critical to the department, the position of Public Health Nurse will not be filled. Funding from the Public Health Nurse position will be utilized to pay for the Supervising Public Health Administrator position. The department will not increase its overall FT headcount.

The Public Health Nurse annual salary is \$65,026
The Supervising Public Health Administrator annual salary is

\$64,676

In addition, the Sr. Public Health Educator was budgeted at a Step 4 salary which is \$56,568

The fill behind would be hired at the probation step which is \$50,161

Therefore the creation of the Supervising Public Health Administrator will provide the health department with position that is needed now, and for the long term, and it's budget neutral.
