CALL TO ORDER: By Hon. Tucker Whitman

MEMBERS: Legislators Andy Dennison, Tricia Kerr, Hans Pecher, Paul Pinckney, Mark Strong, and Ben Vitale

EXCUSED:

MINUTES TO APPROVE: February 9 2021

PRESENTATION: Ben Vitale, re: Regional Water Project Plan

APPOINTMENTS: None

DEPARTMENT UPDATES FOR COMMITTEE:

- **Jeanine Wilson (CCWSA) – No updates**

- **Larry Roser (Weights and Measures) –**

In February I tested the scales at all 13 Supermarkets in Cayuga County, 14 if you count ALDI's old location then the new location.

ALDI's on Clark Street = OLD, ALDI's on Grant Ave. = NEW, B.J.'s, Bayside Grocery, Cato Grocery Store, Ed & Jeans, Maxwell's Food Store, Modern Market, TOP's, Union Springs Supermarket, Walmart, Weedsport Supermarket, Wegman's, and Witmer's Country Market.

There were 201 sales in all and 187 passed = 93%. 14 failed all to the customers favor OK to use.

Wegman's had their 4 repaired and 3 passed, 1 is now against the customer and a STOP USE has been issued. Wegmans also had 1 new scale and 1 repaired scale that I was not called for, they were issued an \$800 fine as this is the 5th time in 8 years.

TOP's also had 1 new scale and 1 repaired scale that I was not called to test, they have also been issued a \$400 fine as this is the 4th time in 8 years. TOP's has also told me they are increasing the number of YOU SCAN scales from 4 to 6.

This month I purchased 12 gas samples from 5 stations. Crawford's West End, Bayside, Pit Stop in N. Victory, NYS Thruway in Port Byron, and Byrne Dairy in Auburn. I will not have the results till March.

Auburn High School called and had me test the 2 scales in the Nurses office and 1 Wrestling scale. They all passed.

I tested the 19 scales at New Hope Mills and 18 of the 19 scales passed, including a 2,500 lb. scale. 1 scale on a production line failed on a corner -.138 lbs. at 5 lbs. It was taken out of service for repairs and a backup scale put in its place.

- **Gary Duckett (Buildings and Grounds/Parks and Trails) –**

BUILDINGS AND GROUNDS AND PARKS ADMINISTRATION: Crew Gary Duckett and Donna Blumrick:

1. Gary's goal this year is to create a meaningful Capital Plan for Buildings and Grounds, including Parks and Trails. This will include getting a decision from the Legislature on the future of the County Office Building.
2. The Parks Department has been assisting the Buildings and Grounds Crew with snow removal.
3. Doug's father, Phil DelloStritto passed away peacefully Tuesday evening, 2/23/21. Because of this the February Park Commission was cancelled.

DOWNTOWN: Crew Ed Eberhardt, Al Raymond, Paul France, and Jeff King:

1. In addition to routine maintenance, preventive maintenance and the day to day efforts for snow and ice removal (which has been rough in February) Ed and his team responded to over 75 maintenance requests in February.
2. VIP Structures was low bidder on the Family Court public service window (tenant work) project. Their quote was \$20,380. Ed's team has been opening and closing the building to allow the vendor to have access.
3. VIP Structures was low bidder on the Health Departments Clinic updates to the Hardenberg Building. Their quote was \$16,176. Work should start in Mid-March.
4. Gary and Ed will be interviewed the only two applicants for the Part Time Building Maintenance Position on 2/26/21.

COUNTY HOUSE ROAD and TOWERS: Crew Mitch Brown, Ben McIntyre, Bruce Simmons and Greg Purcell:

1. In addition to routine maintenance and the day to day efforts including snow and ice removal (which has been rough in February and doing PM work for the PSB and 911 Towers Mitch and his team responded to over 124 maintenance requests in January.
2. The crew has been called upon to do a **great amount of disinfecting** all areas of the PSB and as well as vehicles.

PARKS AND TRAILS Crew Doug Dello Stritto, Mike Dagnesi and Jon Borsa

Emerson Park:

- A. The Parks & Planning Department and TWMLA continues design work for the Deauville Island Destination Playground and Amphitheater projects approved by Resolution 138-20. Layout design and architecture review is underway.
- B. The Emerson Park Pavilion continues to function as an asymptomatic COVID-19 testing site operated by Cayuga County EMO supported by Parks & Trails staff. The current schedule is one day per week, Thursdays from Noon till 6:00pm.
- C. The Parks Department is coordinating with the City of Auburn and their contractor to perform the clean-out of the culvert pipes at Emerson Park extending from the Pavilion side of the park to the outlet. Mobilization will begin when the site is clear of ice.
- D. Cayuga County IT is assisting with assessment of connecting facilities and infrastructure monitoring to the network.

Ward W. O'Hara Ag Museum/Dr. Joseph F. Karpinski Sr. Educational Center Update (Tim Quill Director PT):

1. The Cayuga County Fair Committee cancelled their meeting on 3/1/21.
2. Planning is underway for Spring/Summer 2021 programs at the museum. Annual events are considered tentative and dependent on the gathering guidance from local, state and federal health agencies.
3. Doug is working to replace hot spot currently being used with wired highspeed internet and county network access.
4. In Spring Park Staff will finish installing siding on front of museum. When that is complete the museum will be all steel siding and have all new windows.
5. Doug is working with an electrical contractor to reestablish electrical service to the Log Cabin. The building has had no power since last summer.

Sterling Nature Center (Jim D'Angelo Director PT):

1. New Sterling Nature Center Visitors Center: construction bid was published and advertised on 2/15/2021. Full plans are available at the Syracuse Builders Exchange. A virtual pre-bid meeting was held on 2/17/21 and a pre-bid site visit was held on 2/18/2021. Bid opening is scheduled for Tuesday March 2, 2021 at 2:00pm. Tentative project start date is April 1. Construction/contract schedule is estimated at 12 - 15 months.

Trail Update:

1. The Auburn Fleming Trail: new decking is being installed on bridge 3 as weather permits (from Dunning Ave entrance.)
2. The Cato-Brutus Trail:
 - a. Bridge A: (Chase Rd) CFA funding has been approved. January resolution approval will allow the contract release by NYS Parks for execution.
 - b. Bridge C: (Ditmar Rd) bridge fabricator has sent plans for approval and coordination with CCSWCD for site preparation and CCSWCD has begun planning for site work and abutment fabrication and associated services. Installation target is May 2021.
3. Cato - Fair Haven trail: no report
4. Cayuga County Highway continues to perform trail maintenance as necessary.

Owasco Flats: Nothing new to report.

Any Questions?

• **Brian Soper (Highway) –**

- Scott Gulf – We will be starting to haul the large rock for the project with Soil & Water in the next few weeks all of the training needed has been completed to load out of the quarry.
- Material bids are all in and with the resolution present they will be awarded.
- Snow operations are hopefully coming to end soon. We will be moving to 4/10-hour days starting April 5th 2021.
- Paving plan is also present in the resolutions this month it is not the complete list of projects it is what we will be able to complete with the budgeted monies. There will be additional roads to be added after the state budget numbers are released.

RESOLUTION NO. _____ 3/23/2021 BLD Linstar Security Equipment Service Agree 3 2021 rev

Authorization to enter into a Service Agreement with LINSTAR for Security Equipment including printers, cameras, controllers, card readers and other related equipment

BY: Tucker Whitman, Chair, Public Works Committee
Keith Batman, Chair, Ways & Means Committee

WHEREAS, the service agreement that covers much of the County Security System is with LINSTAR; and

WHEREAS, the agreement requested by Buildings and Grounds in cooperation with Information Technology and the Health Department is scheduled to expire on April 23, 2021; and

WHEREAS, the Superintendent of Buildings and Grounds requested a proposal from LINSTAR for another year April 24, 2021-April 23, 2022; and

WHEREAS, LINSTAR provided the attached proposed agreement with a cost of \$8,950.52; and

WHEREAS, the Information Technology Department will review the proposal to determine if coverage is necessary on all of the equipment listed; and

WHEREAS, for the last few years some of the funding for this agreement has come from a grant administered by the Health Department with the remainder funded by the IT Department and the Buildings and Grounds Department; and

WHEREAS, the Health Department has again requested grant funding for a portion of this service agreement; and

WHEREAS, if the Health Department is not successful in obtaining grant funds in an amount sufficient to pay for the LINSTAR service agreements then in that event the funding for the agreements would need to come from the following Information Technology and Buildings and Grounds Accounts:

| | | |
|------------------------------|----------------------------|-----------------|
| IT Machine Maintenance | A16104-54045 not to exceed | \$880.36 |
| COB Building Maintenance | A16204-54012 not to exceed | \$4,326.69 |
| Harden. Building Maintenance | A16224-54012 not to exceed | \$3,743.47; and |

WHEREAS, if the Health Department is successful in obtaining any or all of the grant funds to pay for the Linstar service agreement then in that event the monies will be drawn from Account No. A40254 54000 and will be deposited into one or more of the Accounts from which the monies were drawn to reimburse the Information Technology and the Buildings and Grounds Department accounts from which the monies were initially drawn; now therefore be it

RESOLVED, that the Chair of the Cayuga County Legislature is authorized and directed to sign all necessary documents with LINSTAR to implement the intent of this resolution; and be it further

RESOLVED, that if the Health Department is not successful in obtaining grant funds in an amount sufficient to pay for the LINSTAR service agreement, or until the grant funds are received by the Health Department, then in that event the funding for the agreement shall be from the following Information Technology and Buildings and Grounds Accounts:

| | | |
|------------------------------|----------------------------|------------|
| IT Machine Maintenance | A16104-54045 not to exceed | \$880.36 |
| COB Building Maintenance | A16204-54012 not to exceed | \$4,326.69 |
| Harden. Building Maintenance | A16224-54012 not to exceed | \$3,743.47 |

For a total not to exceed \$8,950.52 and be it further

RESOLVED, that if the Health Department is successful in obtaining grant funds to pay for the LINSTAR service agreement then in that event the monies will be drawn from Account No. A40254 54000, which funds would be transferred and deposited into one or more of the Accounts from which the monies were drawn; and be it further

RESOLVED, that the Cayuga County Treasurer is hereby authorized and directed to make the journal and accounting entries required to implement the intent of this resolution.

RESOLVED, in the event the Health Department receives grant funding to cover costs associated with this agreement, the Treasurer is authorized to make further necessary adjustments to allocate the additional revenue.

RESOLUTION NO. _____ 3/23/2021 BLD Upstate HPO HVAC Agreement 3 2021 rev

Authorization to enter into a 24 Hour Temperature Control Service Agreement with Upstate Temperature Control Inc. for the controls of the Johnson Controls pneumatic temperature controls for the HVAC equipment in the Historic Post Office

BY: Tucker Whitman, Chair Public Works Committee
Keith Batman, Chair Ways & Means Committee.

Whereas, the Johnson Controls computer control system for the HVAC in the Historic Post Office is an intricate system requiring calibration and maintenance of thermostats, temperature controls, pressure controls, humidistats, damper motors, relays, control air compressors, PRV's, damper linkages, control panels, and other control system components; and

Whereas, the County does not have the specialized tools or an employee that is trained or certified to work on this system, and

Whereas, Upstate Temperature Control, Inc. is proposing a one year Agreement to provide this service for \$4,406; and

Whereas, there is funding in the budget for the Historic Post Office building Account, A16234 54001, Air Conditioning Service to cover the 2021 agreement; now therefore be it

Resolved, that the County enter into a one year 24 Hour Temperature Control Service Agreement with Upstate Temperature Control Inc. for control service on the Johnson Controls pneumatic control system in the Historic Post Office HVAC at a cost of \$4,406.00; and be it further

Resolved, that the Chair of the Cayuga County Legislature is authorized and directed to sign the agreement with Upstate Temperature Control Inc. upon such form(s) as may be approved by the County Attorney; and be it further

Resolved, that the Cayuga County Treasurer is hereby authorized and directed to make the journal and accounting entries required to implement the intent of this resolution.
