DEPARTMENT UPDATES FOR COMMITTEE:

Steve Lynch (Planning & Economic Development)

Note on Department Updates for the 2022 Planning Committee: As shown by the project list below, the work of the department typically involves both extended planning projects serving our Towns and Villages and implementation of ongoing or annual programs ranging from environmental and resource protection work to staffing and/or management of boards and commissions.

Monthly updates can be tailored to preferences of the Planning Committee regarding the level of detail and updates provided and can range from a bulleted list of open projects to an ongoing summary of each activity. For this month, I have provided an update on our Planner Vacancy (below) and a list of open projects with a few updates where appropriate. I look forward to working with the Committee in 2022 to keep you informed on departmental work in a manner that works for you and welcome your feedback on what you would like to see in these monthly updates.

Update on Planner Vacancy: With the legislature authorization in December 2021 to fill the new vacancy, the department has advertised our entry-level Planner position on regional websites under the Upstate Chapter of the American Planning Association. The position posting can be viewed online here: [Job Opening: Cayuga County Department of Planning & Economic Development, Planner](#)
— [American Planning Association NY Upstate Chapter \(nyupstateplanning.org\)](http://nyupstateplanning.org)

An important open project under this position is the update to the County's Local Solid Waste Management Plan (LSWMP), which is in the data collection/analysis phase. This comprehensive project will be temporarily paused as we solicit applications for the Planner position and review candidates. In addition, the position was assigned as support staff to the Town of Conquest Comprehensive Plan project and was assisting senior staff members working on the Fair Haven-Sterling Local Waterfront Revitalization Plan, the farmland protection and purchase of development rights program and the EPA Nine-Elements Plan for Owasco Lake. All of these projects will continue on schedule.

The Planning Department is continuing work on the following projects:

1) **Village of Moravia Comprehensive Plan (nearing completion)**

- 2) **Town of Moravia Comprehensive Plan (nearing completion)**
- 3) **Town of Cato Zoning Ordinance Update (nearing completion)**
- 4) **Town of Throop Comprehensive Plan and Zoning Ordinance Update (Comp. Plan underway)**
- 5) **Town of Scipio Zoning Ordinance Update (completed in December 2021)**
- 6) **Sterling Nature Center Facility & Trail Restoration Project (NYS REDI Grant)**
 - a) Construction Contracts are being executed and construction management of the project will be shifting to Director of CountyParks and Trails, Doug Dello Stritto, with assistance and coordination by Planning Staff.
 - b) **Erie Canal Re-watering Project with Town of Brutus (Phase II underway)**A public information session was held in mid-November at Weedsport High School and the Phase II contract has been awarded to Bergmann Associates as project lead. Survey subcontractors have been conducting extensive site surveys of theproject area in December – an essential first step in the engineering and design phase.
- 7) **Emerson Park-Deauville Island Destination Playground & Concert Amphitheater Project**
 - a) The department submitted a 2021 NYS Consolidated Funding Application (“CFA” Grant) seeking \$430K in NYS Parks Funding for preparation of detail design and construction documents for the Emerson Park/Deauville Island Playground and Central Concession and Restroom pavilion. Unfortunately, the state did not award the grant. Staff will be contacting the stateparks grant representative to review the grant and opportunities for resubmission or the realignment of our Emerson Park grant submissions.
- 8) **Owasco Flats Phase II Wetland Basin Construction (Monitoring and Site Management)**
 - a) The following annual reports were submitted 12/21 to NYSDEC Fisheries Bureau and the Monitoring Section of the U.S.Army Corp of Engineers as required under the project’s construction permits: Annual Water Level Monitoring Report; Annual Water Quality Sampling Report. And Annual Fish Report.
- 9) **Finalizing & Closing NYS Clean Energy Communities Grant Program Projects (Jail Lighting)**
 - a) The Jail Lighting Project (budget of ~\$90K – 100% grant funded) is being managed by the Supervisor of Buildings & Grounds under Gary Duckett. Supply chain issues with lighting/electrical equipment have delayed the project slightly. The contractor and coordinating county staff are prepared to finalize the project as soon as equipment and materials are delivered.
- 10) **Cayuga County Local Solid Waste Management Plan Update (project temporarily paused due to Planner vacancy asnoted above)**
- 11) **Town of Victory Ag & Farmland Protection Plan (nearing completion)**
- 12) **Town of Conquest Comprehensive Plan (recently started)**
- 13) **Fair Haven-Sterling Local Waterfront Revitalization Plan**
- 14) **Village of Cayuga Local Waterfront Revitalization Plan**
- 15) **Cayuga County Planning Board Training Series (ongoing)**
- 16) **Owasco Lake Watershed Nine-Element Plan (nearing completion - 2022)**
- 17) **Department Staff are on the Steering Committee for City of Auburn Drinking Water Source Protection Plan for OwascoLake (City of Auburn 2021 Grant)**
- 18) **Staff to Cayuga County Water Quality Management Agency (WQMA; ongoing)**
- 19) **Management and Administration of Cayuga County’s Finger Lakes-Lake Ontario Watershed Protection Alliance(FLOWPA) Grant Program (ongoing)**
- 20) **2022 Household Hazardous Waste Program Event Planning (Request for Bids going out)**
- 21) **Planning Department Work with Health Department Planning**
- 22) **Cayuga County Farmland Purchase of Development Rights Program Pre-Applications**
- 23) **Steering Committee for New York State “Coastal Lakeshore Economy and Resiliency” Plan (nearing completion)**
- 24) **Sanctuary Advisory Committee for NOAA Lake Ontario National Marine Sanctuary (ongoing)**
- 25) **Advisory Committee for NYS Reimagine the Canals project at Cayuga Lake Lock #1 (Cayuga Whitewater Park Project –recently started).**

Planning Director can provide additional details on any of these projects upon request.

Doug Kierst (Soil & Water Conservation District)

The Cayuga County Soil and Water Conservation District would like to thank the Cayuga County Legislature for your support of our program. We will continue our mission to enhance and protect the natural resources of Cayuga County through "hands on" implementation of best management practices.

AGRICULTURAL TECHNICAL ASSISTANCE:

- Cayuga SWCD Staff are processing Soil Group Worksheets for Agricultural Assessments, in preparation for the Town Assessors March 1, 2022 deadline. Agricultural properties in all the towns, and even the City of Auburn, are required to have a current soil group worksheet in order to qualify for an agricultural exemption.
- Cayuga SWCD Staff completed a site visit and followed up with a landowner with regards to a NYS DEC manure incident.
- Cayuga SWCD are working with several landowners on farm plan updates and reviews.
- Cayuga SWCD continue to complete the closeout process on several grant funded projects completed in the past few months.

NON-AGRICULTURAL & MUNICIPAL TECHNICAL ASSISTANCE:

- Cayuga SWCD Staff, working alongside the County Highway Department, completed approximately 1,300 feet of roadbank stabilization on Scipio-Fleming Townline Road.
- Cayuga SWCD Staff continued the process of evaluating culverts throughout portions of the Owasco Lake Watershed utilizing the North Atlantic Aquatic Connectivity Collaborative (NAACC) protocol.
- Cayuga SWCD Staff began emergency repair work to a section of Hemlock Creek in the Town of Locke, in an effort to minimize future potential flooding impacts.

GRANT FUNDING AWARDED TO THE CAYUGA SWCD:

- The Cayuga SWCD has been notified by the NYS Department of Environmental Conservation that six proposals submitted through the 2021 Consolidated Funding Application (CFA) has been funded. They include:
 - \$29,372 in state funding was awarded to assess road/stream culvert crossings in the Cayuga, Little Sodus Bay and Skaneateles Lake Watersheds.
 - \$600,000 in state funding was awarded to evaluate 72 firelanes and private roadways surrounding Owasco Lake and install erosion and sediment control practices where needed.
 - \$400,000 in state funding was awarded to work with local Highway Departments to identify and stabilize 10 miles of road ditches using erosion control BMPs and 100 miles of road ditches via hydroseeding.
 - \$200,000 in state funding was awarded to reduce stormwater runoff by installing stormwater BMPs.

OTHER SWCD NEWS, WORKSHOPS & TRAININGS:

- The Cayuga SWCD is working with the Cayuga Recycles Program (through the Cayuga County Planning Department) and Cornell Cooperative Extension of Cayuga County to sponsor the Annual "Trade-A-Tree" program in Cayuga County. County residents are encouraged to bring in their real Christmas tree after the holidays, and we will give you a certificate for a tree seedling to be picked up in the spring! Recycled trees will be chipped into mulch to be used on various projects, rather than taking up space in landfills. A White Spruce seedling will be given out to anyone who redeems their certificate on May 13, 2022, at the Annual Conservation District Tree & Shrub Sale. Tree drop off dates include weekdays (excluding holidays) from December 27th to January 14th, between 8 AM and 3:30 PM.
- The Cayuga SWCD, in partnership with the Tompkins County SWCD, the Nature Conservancy and Evidn are

offering a Soil Health Barn Meeting on Wednesday, January 12, 2022 from 11 AM to 1:30 PM at Sunnyside Farms. Topics will include an introduction to the *Our Owasco Project*, a discussion about how to read your soil and options for cover cropping/double cropping. Space is limited, please RSVP with Jason or Tyler at the Cayuga County SWCD office.

Dan Welch (Director Cornell Cooperative Extension) –

- For 2022, one of CCE Cayuga's goals is to expand the 4-H program, especially with youth and families who haven't participated in 4-H before. There will be new clubs/activities focused on horticulture, the environment, and science and technology.
- The Auburn Wegmans is now a vendor for the Fruit and Vegetable Rx Program, offering an additional location for program participants to redeem vouchers for fresh fruits and vegetables.
- CCE Cayuga is going to be offering both in-person and online programs for the next several months. It is our hope to have as many programs as possible in-person.
- Farmers are being impacted by some of the same supply chain issues that have been felt by other areas of the economy. There are tight supplies and rising costs for agricultural inputs, and those costs have risen faster than prices received by farmers.

RESOLUTION NO. _____ 1-25-22

PB HHWGRANT-RFP 2021-2022 rev

AUTHORIZING THE FILING OF APPLICATIONS FOR STATE ASSISTANCE FROM THE HOUSEHOLD HAZARDOUS WASTE (HHW) STATE ASSISTANCE PROGRAM, SIGNING OF THE ASSOCIATED STATE CONTRACTS AND AUTHORIZING CIRCULATION OF BIDS FOR HHW/ELECTRONICS RECYCLING VENDOR SERVICES

By: Hon. Aileen McNabb-Coleman, Chair, Planning and Economic Development Committee
 Hon. Hans Pecher, Chair, Ways and Means Committee

WHEREAS, the State of New York provides financial aid for household hazardous waste and electronics recycling programs and the application window for 2021 reimbursements is January to February, 2022; and

WHEREAS, the County of Cayuga, herein called the MUNICIPALITY, has examined and duly considered the applicable laws of the State of New York and the MUNICIPALITY deems it to be in the public interest and benefit to file applications for these funds; and

WHEREAS, it is necessary that Contracts by and between THE PEOPLE OF THE STATE OF NEW YORK, herein called the STATE, and the MUNICIPALITY be executed for such STATE Aid; and

WHEREAS, the County will circulate a Request for Bids for professional services to select a qualified vendor for current and future HHW Recycling Events;

NOW, THEREFORE, BE IT RESOLVED by the Legislature of the County of Cayuga:

1. That the filing of such applications in the form required by the State of New York in conformity with the applicable laws of the State of New York including all understanding and assurances contained in said applications is hereby authorized; and
2. That the Chair of the Legislature, or the Chair's designee, is directed and authorized as the official representative of the MUNICIPALITY to act in connection with these applications and to provide such additional information as may be required and the Chair is hereby authorized to sign the resulting contracts if said applications are approved by the STATE, upon review and approval as to form by the County Attorney's Office; and
3. That the Chair of the Legislature, or the Chair's designee, is hereby authorized and directed to sign such documents as may be necessary to receive reimbursement for the 2021 HHW programs, upon review and approval as to form by the County Attorney's Office, and to implement the HHW projects in 2022 so long as costs do not exceed the available budget in Planning Department line item A80204 54164 (Special Programs); and
4. That the Department of Planning and Economic Development is authorized to circulate a Request for Bids for professional services to select a qualified vendor for current and future HHW Recycling Events in 2022; and
5. That the Cayuga County Finance Director is hereby authorized to make the journal and accounting entries necessary to accomplish the same; and
6. That this resolution shall take effect immediately.

CBS Saturday Morning episode

In December, CEDA's Marketing Coordinator Devon Roblee joined Cayuga County CVB Executive Director Karen Kuhl on a tour of Cayuga Milk Ingredients and Spruce Haven Farm during a taping of a CBS Saturday Morning episode featuring the Finger Lakes dairy industry. The story will focus on how generational dairy farms are transitioning or changing the tradition of dairy farming in response to the rising popularity of plant-based milks. The episode is expected to air early in 2022. CEDA shared photos from the tours to its LinkedIn followers, and the post received over 3,200 "impressions" and 73 reactions from many high-level executives in the dairy, manufacturing and other key industries.

Small Business Development

In December CEDA's ARPA proposal for small business assistance was approved by the City Council of the City of Auburn. CEDA will receive \$500,000 in ARPA funds to administer the Small Business Support Program (SBSP). The SBSP will provide economic support grants to businesses located in the City of Auburn in the amount of \$20k - \$40k. CEDA is looking to launch the grant application process in February 2022.

Economic Development & Attraction

Supply chain disruptions and labor shortages continue to impact the timelines of attraction and expansion projects in Cayuga County. Over 2021 several IDA projects have requested incentive extensions due to experiencing delays in material availability, postponed shipment, or labor challenges.

Marketing

Year-over-year analytics for cayugaeda.org show a 25% increase in visitors to the website. The website has seen an increase in engagement evidenced by an over 16% rise in Sessions and a decrease in Bounce Rate. CEDA's "Welcome Corporate Executives Page", which includes information about doing business in Cayuga County and links to our Featured Sites page, was the most visited page in 2021 viewed by Users from all over the world. This activity can be attributed to recent modifications/improvements and CEDA's digital advertising campaigns promoting Cayuga County as a great place to do business.

CFA Update

NYS released the CFA award list. Total award amount granted to Cayuga County projects was \$1,409,372. CEDA continues to lend assistance to projects applying for ESD funding. Round 4 review is scheduled for Jan 20th, 2022.
