

The following municipal matters were submitted to the Committee for consideration pursuant to New York State General Municipal Law §239-l, m, & n:

1. Town of Sennett – Site Plan – Furnace Rebuild

The GML 239-l, m, & n Review Committee carefully considered the materials provided by the Town related to the proposed site plan. During the meeting, the committee noted that the proposed actions will not encroach on any wetlands or other significant areas and that the SWPPP was adequately completed which guided them towards their decision recommending approval.

MOTION BY: Steve Lynch Recommend approval, without change.

SECOND BY: Kari Terwilliger All vote AYE

Motion Approved and Carried.

2. Town of Owasco – Local Law – Solar Amendment

The GML 239-l, m, & n Review Committee carefully considered the materials provided by the Town related to the proposed local law. During the meeting, the committee addressed typos and inconsistencies included in the document. Members of the committee have been in communication with the firm responsible for the creation of the local law to fix these issues. The committee also briefly discussed the contents of the zoning amendment to ensure that it included language addressing the protection of prime agricultural soils and land, as well as to ensure that the establishment of “floating” zones, or overlay districts, for the development of large-scale solar projects will accomplish the intent of the zoning amendment.

MOTION BY: Kari Terwilliger The proposal appears to have no intermunicipal concerns and is of local concern only.

SECOND BY: Steve Lynch All vote AYE

Motion Approved and Carried.

ADJOURN MEETING:

MOTION BY: Steve Lynch

SECOND BY: Brian Soper

Meeting adjourned at 9:10 am.
