4. Town of Scipio – Special Use Permit – 2909 Center Road

The Committee carefully considered the materials provided by the Town related to the proposed Special Use Permit at 2909 Center Road. Based on the information submitted, the Committee determined that additional material is necessary for review. The Committee notes that per Town Zoning Ordinance Section 114-1 (A), “site plan review shall be included as part of the special permit approval process” and cites the following materials needed to take final action:

1. Per Town Zoning Ordinance Section 114-1 (B) (2) (k): “Existing and proposed topography at two foot contour intervals, or such other contour interval as the Board shall specify.”
2. Per Town Zoning Ordinance Section 114-1 (B) (2) (l): “A landscape, planting, and grading plan showing proposed changes to existing features.”
3. Per Town Zoning Ordinance Section 114-1 (B) (2) (n): “Traffic flow patterns within the site.”
