Subject: State Fire Training Suspension Extension

Good morning,

As a result of OFPC's engagement with the ongoing response to the coronavirus, all state fire training has been suspended. The suspension has been extended through April 19, 2020.

The Office of Fire Prevention and Control will continue to assess the situation and determine the need to extend the suspension as the response to COVID-19 unfolds.

Should you have any questions or concerns, please do not hesitate to contact the OFPC main office at 518-474-6746.
