#### **Additional Information**

Beginning tomorrow, December 8, 2020, we will again be issuing daily press releases. The press releases will relay information related to COVID data from the day prior and will look different due to the new data system we are using. We will no longer be releasing information such as the school district that a child attends when we have a positive student in a K-12 educational setting. School districts notify school community members when a positive student or staff member has been identified.
