Dear Medicaid Beneficiaries, Advocates and Others:

Cayuga County Community Mental Health Center is part of a Performing Provider System (PPS) under New York State's Delivery System Reform Incentive (DSRIP) Program. DSRIP focuses on healthcare system transformation, where providers work to improve and coordinate community based, primary care, mental health and preventive care services. The lead PPS organization in our area is Central New York Care Collaborative, Inc. (CNYCC).

We participate in certain DSRIP projects in the CNYCC PPS, including the following:

- Behavioral Crisis Stabilization
- Primary Care/Behavioral Health Integration
- Integrated Delivery
- Care Transitions
- Behavioral Health Infrastructure.
