For Immediate Release: Monday, March 29, 2021

**First Dose Moderna
COVID-19 Vaccination Clinic**

Beginning Tuesday, March 30, 2021 at 8 a.m. individuals age 30 years and older will be eligible for the COVID-19 vaccine.

To assist in these efforts, the Cayuga County Health Department will be holding a vaccination clinic on Wednesday, March 31, 2021 from 10am -1:10pm at the Fingerlakes Mall located at 1579, Clark St. Rd. in Auburn.

This clinic is only accessible through the exterior entrance which is located on the backside of the mall between the movie theater entrance and the RV store. Access to the clinic from the inside of the mall will not be permitted.

You are eligible for this clinic if you fall under Phase 1a or Phase 1b of the New York State guidance—**which includes all people aged 30 and older**. Those between the ages of 18-29 who have a qualifying health condition are also eligible. We are not requiring a doctor's note for those ages 18-29, but you will attest to being eligible when you register for your vaccine.

For the full list of those who qualify, please visit: <https://covid19vaccine.health.ny.gov/phased-distribution-vaccine#phase-1a--phase-1b>

You must have an appointment to receive a vaccine at this clinic. To register for an appointment, please visit the Cayuga County Health Department website: www.cayugacounty.us/health.
