Upcoming Vaccination Clinic

Wednesday, October 27, 2021 we will be holding a COVID19 vaccination clinic here at the Cayuga County Health Department located at 8 Dill St. in Auburn from 9am-3pm.

****THIS IS NOT A BOOSTER SHOT CLINIC****

First and second doses will be available and all three COVID-19 vaccines will be offered. **REGISTRATION IS REQUIRED** Please visit: www.cayugacounty.us/health to schedule an appointment.

Moderna and Johnson & Johnson are approved for those who are 18 years of age and older. Children 12 years of age and older are eligible for the Pfizer vaccine and a parent or guardian must accompany anyone under 18 years of age at this clinic.

Cayuga County Health Department is also continues to participate in the #VaxtoSchool campaign, which is program administered by New York State to target unvaccinated 12-17 year olds to get vaccinated. Any child in this age group who receives their **first or second dose Pfizer vaccine** beginning October 2, 2021 through November 19, 2021 at a Cayuga County Health Department vaccination clinic will be given a \$25 Amazon gift card. COVID19 is still a risk for individuals of all ages, including children and adolescents and getting vaccinated is the best way to protect yourself, friends, family and our school communities from the virus.

The Cayuga Community Health Network can provide assistance for those needing help to register online for vaccination clinics. You can speak to someone by calling 315-252-4212.
