For Immediate Release: Thursday, December 2, 2021

Symptomatic COVID-19 Testing Clinic

The Cayuga County Health Department is working in collaboration with the Cayuga County Emergency Management office and Quadrant Biosciences to perform symptomatic COVID-19 saliva-based PCR testing for any aged individual.

This clinic will take place on Saturday, December 4, 2021 from 9am-11am at the Fingerlakes Mall, 1579 Clark St. Rd., Auburn at the former Joann Fabric location. Please use the exterior entrance to the left of the Bass Pro Shop.

To be eligible for a test, you must go to [www.cayugacounty.us/health](http://www.cayugacounty.us/health) and click on the COVID-19 testing button. You will then get email confirmation with instructions on how to create a profile, which is required for testing. There are a limited number of appointments available and walk-ins WILL NOT be accepted.

Insurances will cover the cost of the test. There is NO charge to the patient. Insurance information will be collected at the time you create a profile and on-site, so please bring your insurance card and a form of identification to your appointment.

**Please note:** you may not eat, drink use tobacco products or brush your teeth 30 minutes prior to the test or the result will be invalid.
