REGISTRATION IS REQUIRED – please visit www.cayugacounty.us/health to schedule an appointment. Please bring your insurance card.

The availability of the vaccine is not limited to just the health department. Individuals are encouraged to work with local pharmacies, federally qualified health centers, and healthcare providers to get an appointment.

For anyone without access to the internet, City, Town and Village clerks can assist with online registration as well as the Cayuga Community Health Network by calling 315-252-4212.

Additional Information:

If you test positive for COVID19, please remain at home until you hear from a contact tracer to complete your investigation. You will receive either a call from the Cayuga County Department or someone from the virtual call center out of Albany with a 518 area code. If you do not answer your phone, you will receive a visit from a Cayuga County staff member to deliver your isolation or quarantine orders.

The Omicron Variant has been identified in neighboring counties, therefore we can assume that it will be here soon, if not already.
