Upcoming Cayuga County COVID-19 Vaccination Clinics

The Cayuga County Health Department is participating in the state-wide #VaxForKids program which encourages children ages 5 and up to get their COVID-19 vaccine as a means to prevent serious illness. On November 3rd, 2021, the CDC authorized the Pfizer COVID-19 vaccine for children ages 5 – 11 years-old. On January 5th, 2022, the CDC recommended the Pfizer booster dose for ages 12 and up 5 months after they receive their second dose. The following Cayuga County Health Department clinics will be offering the COVID-19 vaccine for ages 5 and up and providing an opportunity for this age group to get vaccinated through the #VaxForKids program:

Thursday, February 10th from 4-6pm at Southern Cayuga High School

- Pfizer pediatric first and second doses for individuals 5 – 11 years of age
- Pfizer first, second, and booster doses for individuals 12 years and older
- Moderna first, second, and booster doses for individuals 18 years and older
- This will be a walk-in clinic or you can make your appointment ahead of time by visiting our website: www.cayugacounty.us/health

Friday, February 11th from 4-5:30pm at the Events Center at the Finger Lakes Mall

- Pfizer pediatric first and second doses for individuals 5 – 11 years of age
- Pfizer first, second, and booster doses for individuals 12 years and older
- Located in the former Spirit Halloween store; please enter through the back of the mall near the movie theaters; you cannot enter the clinic through the inside of the mall
- Please make your appointment by visiting our website: www.cayugacounty.us/health

Saturday, February 12th from 11am-1pm at Port Byron High School

- Pfizer pediatric first and second doses for individuals 5 – 11 years of age
 - Pfizer first, second, and booster doses for individuals 12 years and older
 - J&J original and booster doses for individuals 18 years and older
 - Moderna first, second, and booster doses for individuals 18 years and older
 - This will be a walk-in clinic or you can make your appointment ahead of time by visiting our website: www.cayugacounty.us/health
