How to report at-home positive COVID tests to the Cayuga County Health Department

It is important to submit at-home test results to our department so we can monitor the number of COVID cases and transmission levels of COVID in our community.

If you test positive using an at-home test kit, please report your positive test to the Cayuga County Health Department. You can report it by:

- Taking a clear picture of your home test results
 - Emailing a picture of the home test results to covidtest@cayugacounty.us
 - Please include the following information in the body of the email:
 - your full legal name
 - date of birth
 - date the test was taken
 - phone number
-
-
