August COVID-19 Vaccination Clinics at the Fingerlakes Mall

The Cayuga County Health Department will be hosting three walk-in COVID-19 vaccination clinics in August. The following vaccines will be offered:

- Pfizer pediatric first, second, and booster dose for individuals 5 – 11 years of age.
- Pfizer first, second, and booster doses for individuals 12 years and older.
- Pfizer second/additional booster doses for individuals 50 and older or those 12 and older who are immunocompromised.
- Moderna first, second, and booster doses for individuals 18 years and older.
- Moderna second/additional booster doses for individuals 50 and older or those 18 and older who are immunocompromised.

Vaccine clinics are scheduled for:

- Thursday, August 4, 2022 from 4:30 – 5:30pm
- Thursday, August 11, 2022 from 4:30 – 5:30pm
- Tuesday, August 23, 2022 from 4:30 – 5:30pm

Clinics held at the Fingerlakes Mall (located at 1579 Clark St., Auburn) will be in the Event Center (at the former Spirit Halloween store located on the backside of the mall near the movie theaters).

Please bring your insurance card and vaccine card if you have one.

The availability of the vaccine is not limited to just the health department. Individuals are encouraged to work with local pharmacies, federally qualified health centers, and healthcare providers to get an appointment. Parents looking for the COVID-19 vaccine for children under 5 years of age should contact their child's pediatrician or local pharmacy.

City, Town, and Village clerks and the Cayuga Community Health Network (315-252-4212) are available to assist individuals with finding clinics and making appointments.
