TREE REMOVAL REQUESTS

The Village of Fair Haven is committed to protecting, planting, and caring for trees within the public right-of-way. Trees are an asset to your home and community and deserve the best possible care. If you are concerned with a tree that is on the Fair Haven Village right of way, please state your concerns. The Village of Fair Haven will pass this information along to our insured tree contractor. From there, they will determine if the tree needs to be removed or trimmed. If it is a private tree, we will notify you and give you the information to call an insured local tree removal contractor.
