Auburn, NY 13021**

For Immediate Release: Thursday, December 1, 2022

Upcoming Flu Vaccine Clinic

The Cayuga County Health Department will be hosting a flu vaccine clinic next week on Friday, December 9, 2022 from 1:00 – 4:00pm. The clinic will be held at the Health Department located at 8 Dill Street Auburn, NY 13021.

Appointments will be required and can be made by calling the Cayuga County Health Department at 315-253-1560.

Both pediatric and adult flu vaccines will be offered at this clinic. Please bring your insurance card if you have one. If you are underinsured or uninsured, we will still provide flu vaccination for you. Anyone entering the clinic must be wearing a mask, which we will have available if you do not have one.

The best way to protect yourself and your loved ones against influenza (flu) is to get a flu vaccine every flu season. Flu is a contagious respiratory disease that can lead to serious illness, hospitalization, or even death. CDC recommends everyone six months and older get an annual flu vaccine. Go to www.cdc.gov/flu for more information.

The availability of the vaccine is not limited to just the health department. Individuals are encouraged to work with local pharmacies, federally qualified health centers, and healthcare providers to get a seasonal flu shot. Questions or concerns about the flu shot? Visit www.cayugacounty.us/health or call the Health Department at 315-253-1560.
