Release of Information

Dear Parent/Guardian,

In order to participate in the Youth Program, we may need to assess the math and reading level for each person. For in-school youth, this information can be obtained from the guidance office via this signed form. If current levels are not available for out-of-school youth, he or she will be tested in this office.

In addition, we may need information from other agencies that have provided services to your son/daughter or we may need to share information with other agencies. The agencies we work with may include, **but are not limited to:** educational, medical, social services, probation, guidance, and law enforcement.

In order to place your youth in employment, we may need to share **need-to-know** information with his or her supervisor.

I also give permission for my picture and name (or that of my child if under 18) to be used in program publications.

____ (Yes) ____ (No)

Please read and sign the authorization below.

To whom it may concern:

I hereby authorize the Cayuga County Employment and Training Office to obtain information or records including identity data, educational, employment, legal, and medical, for the purpose of evaluating my current skills and needs to assist in the formulation of my Individual Service Strategy (ISS).

I understand that all such information released to the Cayuga County Office of Employment and Training will be treated as confidential and privileged.

The individual signing this application may be asked to prove any or all statements made. If we ask you to do this, we will tell you how to prove your statements.

We are asking for Social Security numbers because any person applying for or receiving federal WIOA or TANF services must give us his or her Social Security number; Social Security numbers are required under federal law (Section 409(a)(4) of the Social Security Act) and federal regulations (45 CFR 264.10). We may use Social Security Numbers to do computer matches with other programs to prove you are receiving these programs (for example, food stamps), to do a computer match to verify other information on the application, or to verify your alien status.

If you disagree with any decisions we make regarding your eligibility to receive WIOA or TANF services, you may have your certification reviewed by a person at a level above the person who made the decision.
