

Local Law relating to, regulating and licensing **Outdoor public entertainment, amusements and assemblies** In excess of 2,000 Persons; Establishing licensing procedures & fees therefore; and prescribing offenses and penalties. Said Local Law provides that:

Sec. 1. **PURPOSE**

Outdoor public entertainment, amusements and assemblies have occurred in New York State and other states on previously undeveloped sites, attended by assemblies exceeding 100,000 persons who camp on the site during the event In tents, trailers, and other facilities usually furnished by the individual. The mass assembly of persons In the Town of Ira for such events in numbers of 2,000 or more would temporarily increase the numbers of persons residing within the Town of Ira to several times the normal population, thereby causing problems and demands considerably beyond the capability of existing municipal services and facilities now available in the Town of Ira.

In order to prepare for such an event, it would be necessary to provide a temporary community with all the services required for the health, welfare, and safety of the persons in attendance. Adequate provision must be assured for sanitation and sanitary facilities and services; water supply, food service, garbage and refuse collection and disposal; hospital, medical, nursing and ambulance service; policing and traffic control; parking facilities and control; and communication and power systems, all of which are normally subject to governmental regulation and licensing. The temporary furnishing of such services and facilities for outdoor public entertainment, amusement or assembly intended to be attended by 2,000 or more persons similarly required municipal approval and regulation.

Also, the conduct of such events would create a mass movement of people through the Town of Ira, principally upon its public streets and highways, of a magnitude never before experienced by the Town of Ira with the likelihood of damage and Injury to persons and property within the Town of Ira. It is believed necessary that persons, corporations, organizations, landowners and lessees conducting such events must provide adequate financial assurance to protect persons and public and private property with the Town.

The Town Board of the Town of Ira therefore finds and declares that it Is necessary for the government, protection, order, conduct, safety, health and well being of persons and property within the Town in regard to outdoor public entertainment, amusements and assemblies catering to the general public, that certain rules and regulations be established and further that there is danger to the people attending or taking part in such events if proper sanitary; police and other health and safety measures are not adequately provided for, and further, that it is necessary to adopt under the police power of the Town, a local law to regulate and license the holding of such outdoor public entertainment, amusements and assemblies.
