Please renew my agricultural assessment for 20\_\_ for the following parcel(s): Tax map number(s) \_\_\_\_\_

\_\_\_\_\_ (attach additional sheets if necessary).

**I have reviewed the last agricultural assessment application (Form RP-305) that was filed for this farm operation, as well as the instructions that accompany this renewal certification, and I hereby certify that each of the following statements of fact is true:**\*

- The last agricultural assessment application (Form RP-305) for this land was filed in 20 \_\_\_\_.
- Since that application was filed, there has been no change in the ownership or total acreage of this parcel, or in the classification of its soils.
- The land is still being used in the same manner as specified on that application, and there has been no change in the acreage devoted to each use.
- At least one of the following conditions is satisfied:
  - The land consists of seven acres or more and generated the required \$10,000 or more in average gross sales value, annual gross sales value or average gross receipts, whichever was applicable; **or**
  - The land consists of less than seven acres and generated the required \$50,000 or more in average gross sales value, annual gross sales value or average gross receipts, whichever was applicable; **or**
  - No such requirement applied to this land because it qualified as either a newly-planted orchard or vineyard, a newly-established Christmas tree operation, or land used by a not-for-profit institution for eligible agricultural research.
- If the Form RP-305 indicated that rented land was being used in conjunction with the parcel(s) for the production of agricultural products for sale, the same land is being rented, the same person is continuing to rent it under the same written rental agreement, and, if the rented land does not independently satisfy the gross sales value requirement, it is used in conjunction with qualifying land.

**I understand that I must maintain records confirming that each of these statements is true, and that I must supply those records to the assessor upon his or her request. I understand that any false statements on this form are punishable by law. I further understand that converting this land to a non-agricultural use may subject it to penalties and/or payments based on the amount of taxes owed.**
