Maintenance Mechanic

An Equal Opportunity - Affirmative Action Employer

CIVIL SERVICE COMMISSION

TITLE:	BUILDING MAINTENANCE MECHANIC
JURISDICTIONAL CLASS:	NON-COMPETITIVE
CIVIL DIVISION:	ALL CIVIL DIVISIONS
ADOPTION: CSM	11/01/75
REVISED: CSM	04/18/2001, 06/13/2001, 09/11/2002; 2/18/04, 4/8/09, 3/10/10

DISTINGUISHING FEATURES OF THE CLASS:

Performs skilled building repair and maintenance work or supervises a number of semi-skilled workers in a buildings and grounds maintenance and repair program; does related work as required. This class involves a variety of building maintenance and repair tasks of a skilled nature. Although employees in this class, by reason of personal training and experience, generally devote most of their time to work of a single specialized field, they are required to work along various mechanical lines as the occasion demands. In this respect the class differs from such classes as Painter, Carpenter, Plumber, etc., which limit incumbents to a single trade. The duties of this class differs from Building Maintenance Person by reason of the more skilled nature of the work involved. Incumbents perform duties with some latitude for independent planning or laying out of the working details. In those cases where supervisory responsibilities are involved the Building Maintenance Mechanic acts as foreman over a number of workers who perform maintenance and repair jobs of a semi-skilled nature.
