- Created three new Senior Assistant District Attorney positions and eliminated three existing ADA positions.
- Recruited and hired an experienced prosecutor, Brittany Grome Antonacci, previously with the Albany County District Attorney’s Office.
- Created an Executive Assistant to the District Attorney to replace a Confidential Secretary to DA.
- Transferred ADA Jesse Eshkol into the Crimes Against Revenue Program (CARP Grant) position.

2019 Goals:

- Continue and expand upon our efforts to curb the heroin epidemic by targeting dealers and taking them off our streets.
- Continue and expand upon our efforts to curb all illicit drug issues in our community, including cocaine, methamphetamines and synthetic drugs such as “Molly” by targeting drug dealers, limiting the supply of the Illicit drug and therefore the creation of new drug addicts.
- Assist with the recovery of all addicted persons in this community by whatever means we can, including, forced abstinence, required supervision, support of both in-patient and out-patient programming, and especially continuing care/support for those already in recovery.
- Especially, self-help groups and organization like Nick’s Ride (12 South Street)  and Heroin Epidemic Action League (HEAL)
- Continue to address the serious problem of drunk driving and the related death, injury and suffering it causes in this community by targeting drunk drivers, imposing punishment/sanctions, forcing defendants to address their addictions, and not to drive until properly licensed and only with Ignition Interlock Devices Installed to monitor and better protect the public.
- Create Chief of Driving While Intoxicated and Vehicular Crimes Bureau.
- Vigorously prosecute domestic abuse and sexual assault offenders; support and protect their victims/survivors from further abuse.
- Pursue those who abuse the generosity of taxpayers and steal public assistance benefits, or who abuse the insurance and disability systems.
- Protect Corrections Officers and Staff in our State Prisons by prosecuting assaults on personnel, murder/assault on inmates, and weapons possession.

**2018 Accomplishments:**

- Responded to over 200 emergency calls for service to support local and regional incidents.
- Worked with FEMA to successfully file and receive claims for Cayuga County relative to the 2017 Lake Ontario Flooding Disaster.
- Continued recovery efforts for both the Lake Ontario and non-federally declared July Southern Cayuga County flooding.
- Developed work plans for the 2018 State Homeland Security Grant ($116,216.00), the 2017 Hazardous Materials Grant ($72,000.00), the 2018 Hazardous Materials Emergency Preparedness Grant ($5,172.00), and the 2018 Emergency Management Performance Grant ($34,719.00)
- Collaborated with our contractor to successfully develop and adopt the Cayuga County Continuity of Operations Plan (COOP) – Volume One.
- Acquired and implemented an internal Mass Notification System for emergent notifications, closings, etc. for County staff.
- Facilitated over 1800 hours of Fire / Rescue training at the Cayuga County Fire Training Facility on Quarry Road and in local jurisdictions.
- Provided Fire Cause and Origin Determination / Support to over 60 Cayuga County incidents, including follow-through in investigative reporting.
- Facilitated two Basic Emergency Medical Technician original courses, and three Basic Emergency Medical Technician refresher courses, resulting in the certification of 25 new EMT’s and recertification of 45 EMT’s.
- Partnered with BOCES New Visions program and Southern Cayuga High School to facilitate a Certified First Responder Courses, resulting in certification of 18 new CFR’s, marketing the CFR program to bolster volunteer recruitment for local jurisdictions.

**2019 Goals:**

- Close gaps identified in the 2017 County Emergency Preparedness Assessment (CEPA).
- Integrate Emergency Support Functions, FEMA Whole Community Approach, and Disaster Resiliency into emergency management planning process.
- Develop a Departmental four to five year Strategic Plan.
- Begin the NY State Emergency Management / NY State Emergency Management Association Accreditation process.
- Develop a Regional Hazardous Materials response annex with our Regional partners (Cortland and Tompkins Counties).
- Develop a FEMA approved Debris Management Plan for Cayuga County.
- Enhance / update / upgrade the County Emergency Operations Center, to include making the EOC a mobile resource to support the County geography.
- Set up new leadership structure and reorganize the Emergency Management Office.
2018 Accomplishments:

- Coordinated development of County’s Raise the Age Plan.
- Improved the use of the Caseload Explorer system, including providing additional training for all staff titles.
- Created and filled a new full-time Probation Officer position.
- Updated a Sr. Probation Officer position to a Probation Supervisor position, bringing the department into compliance with Title 9 NYCRR Appendix H-10 supervisor ratio mandate.
- File Management; consolidated all open juvenile, adult probation, and investigation files into one “Active” file system, located centrally in the main department hall. Relocated all closed files to the third floor to open two offices for Probation Officers on the first floor. In the process, all closed files were reviewed, which resulted in a significant reduction of bulk in the department’s closed files, saving space for additional modifications; IID, training and SORA files were consolidated and co-located in secure storage.
- Obtained a secure cabinet for evidence and contraband and implemented policy and procedure for securing evidence or contraband seized from an individual under the department’s supervision. Staff was also provided dedicated evidence bags to improve safety, handling and chain of custody for all items seized.

2019 Goals:

- Create and fill a new Probation Officer position to expand juvenile justice services, re-tool intake and further reduce existing workloads.
- Motivational Interviewing for all officers and select clerical titles to support Raise the Age. To enroll one officer in Instructor Development School, to support professional development within the department. To offer leadership-oriented courses to Probation Supervisors, Sr. Probation Officers and select clerical titles.
- Begin phased-in purchase of new body armor for all Probation Officers; continue to promote officer safety oriented training and culture within the department.
- Provide Probation Officers with tools (laptops or tablets) to allow access to Caseload Explorer and Outlook while working at remote report sites and other locations outside of the main office.
2018 Accomplishments:

- Conducted a comprehensive electronic and print advertising campaign to promote awareness about DWI.
- Partnered with the Auburn Doubleday’s on a STOP-DWI promotional agreement.
- Secured a $12,300 STOP-DWI Crackdown Enforcement contract.
- Coordinated DWI traffic stops with the Cayuga County Sheriff’s Office, Auburn Police Department, and New York State Police.
- Deputy Director has been honored with the William T. Smith award for DWI prevention by NYS STOP-DWI.

2019 Goals:

- Continue to support and fund in-part the STOP-DWI patrols with the Auburn Police Department and the Cayuga County Sheriff’s Office.
- Purchase specialized breath testing equipment and supplies for DWI enforcement.
- Continue the STOP-DWI Prosecution and Probation Programs.
- Continue evaluation and treatment options for DWI offenders.
- Provide an alcohol counselor to offenders at the Cayuga County Public Safety Building.
- Continue specialized education programs for enforcement, prosecution, education and treatment professionals who deal with various aspects of the drunken driving issue.
- Conduct a comprehensive electronic and print advertising campaign to promote awareness about the DWI issue.
- Conduct community outreach by public speaking engagements, presenting booths at health fairs and trade shows and by making available videos, displays and printed materials to schools and other organizations.
- Work with the STOP-DWI Advisory Board, local officials, and public and private community organizations to develop and coordinate a comprehensive DWI countermeasure program.
- Monitor and evaluate traffic accident, arrest and conviction data to assess the effectiveness of Cayuga County’s STOP-DWI effort.
2018 Accomplishments:

- Updated our Road Patrol & SWAT Team Rifles and Shotguns.
- Updated the Sheriff’s Department website.
- Opened up a budgeted Road Patrol position that was filled by a long time sick leave Deputy.
- Worked with the County Administrator to fulfill a working agreement with the Enterprise Corporation for our Road Patrol Fleet.
- Created Transition Coordinator to help with release planning.
- Participated in Raise the Age planning.

2019 Goals:

- Continue to explore and implement procedures that ensure a positive transition of our inmates from custody back into society that include the utilization of a transition coordinator and possible addition of peer services supplied by outside providers with no budget impact to the county. By doing so, we will work to reduce recidivism and save tax dollars by reducing inmate days (recommended in the CGR consulting report).
- Explore the replacement of our service weapons as they are beyond their useful life. This should include the testing and research of varying calibers and weapon styles. Many agencies, including the FBI, are transitioning to different weapons and calibers due to performance and cost.
- Explore training alternatives such as web-based platforms that would allow members to participate in trainings that are broadcast to their desktops and/or mobile data terminals. It is likely that training overtime costs can be reduced by limiting the need to have members’ complete training outside their regular shifts. It is likely that training could be significantly improved that not only results in cost savings but helps reduce liability.
- Explore upgrading and adding cameras in the jail to ensure staff and inmate safety (discussed during our budget discussions).
- Equip our boats with appropriate first responder supplies and provide related training to navigation staff.
- Provide training to court and office building security that includes active shooter and related training. (Also assess how these divisions are supervised and managed).
- To fill all budgeted, unfilled positions in the Sheriff’s Department.
- Begin capital phase in replacement of chillers at the jail.

- Work with Planning and Cayuga County Soil & Water Conservation District to complete to 2 bridges on the Cato - Brutus Trail to complete the Cato – Brutus Trail.
- Work with County Administrator and Superintendent of Buildings and Grounds to create a meaningful Capital Plan for County Parks and Trails.
2018 Accomplishments:

- Installed a box culvert on Parcell road in the Town of Sennett. This project was a training project for our crews. We will have more of these box culverts in the future. We installed the box culvert at approximately half of what the cost would be if we had let this project to a contractor.
- Replaced the Stewarts Corners road multi-plate arch structure.
- Chip-sealed approximately 41.1 miles of roads.
- Hot-mixed paved 28.26 miles of roads.
- Cold in-place recycled 16.53 miles of roads.
- Highway reprofiled by the use of full-depth reclamation of 4 miles of roads.

2019 Goals:

- Improve accounting, increase project management capacity.
- Reorganize sign staff and ensure proper signage for all projects.
- Increase training.
- Capital project for the replacement of the Owasco Inlet Bridge on Long Hill Road in the Town of Moravia. The project will be funded by 80% Federal, 15% NYS and 5% County.
- Another capital project for the replacement of Creech Road Bridge in the Town of Summerhill.
- Begin the construction phase on Turnpike Road (CR10) Preservation Project, providing for 80% Federal reimbursement (total project costs) and 15% State reimbursement (construction portion only). Cayuga County will pay 20% of design/ROW cost and 5% construction cost.

2018 Accomplishments:

- Implemented eWIC electronic benefits card system within the Women, Infants, and Children Supplemental Nutrition program (WIC). This tremendous undertaking provides increased ease of use to participants and vendors.
- Built upon the trusted communications plan related to Harmful Algal Blooms in our lakes.
- Successfully provided an unanticipated increase of over 350 vaccinations for school-aged children. This was time-sensitive due to laws excluding children without required vaccinations from attending school. A number of healthcare providers have ceased providing this service and others were not able to receive the vaccine for children supply in a timely manner.

2019 Goals:

- Begin the national accreditation process, which may take 18-24 months. There are a significant cost and investment of time and effort to this process. Upon receipt of accreditation, it is in effect for 5 years. Benefits of accreditation include objective verification of standards of excellence and alignment of the Cayuga County Public Health Department for some grant programs and incentive funds.
- Expand the services for greater blood lead poisoning prevention, particularly amongst children. The intent is to acquire grant funding that will help partially offset the cost a public health educator to provide increased educational outreach, facilitate environmental and personal lead testing and coordinate the program effort including increased public health designation of areas of high risk. Long-term benefits include a healthier population, increased mitigation/ prevention of elevated blood lead levels through increased testing and safer housing environments. This translates in the short term to a reduction in special education costs, healthcare treatment and subsidized housing costs.
- Increase focus on reducing tobacco and nicotine delivery system use (vaping, ecigs et.al.) amongst county population. Particular focus on prevention efforts amongst the adolescent population and women of childbearing age.
- Together with other county and city departments, agencies and stakeholders, complete the process and submit updated Watershed Rules and Regulations for Owasco Lake to New York State Department of Health.
2018 Accomplishments:

- Revenue matches expenses again
- Mobile Crisis expansion
- Mindfulness/Yoga/Trauma-Informed training and implementation at selected sites
- Formalized school threat protocol
- Increased MH services at the jail and expanded Vivitrol use
- 3rd-year SAHMSA funding for System of Care and 2nd-year OASAS funding for jail services
- Continued integration of child/family services
- Continued work on integrating regional assets with local services

2019 Goals:

- Marketing and awareness of how to access services
- Stabilize outpatient OASAS providers
- Continues integration of cross-system services (JJ/MH/SA/CW)
- Pilot a regional, blended residential/respite opportunities for developmentally disabled kids
- Continue building services and access to substance abuse services, create and promote alternative pathways to treatment
2018 Accomplishments:

- Achieved a 65% increase in the number of seniors and vendors attending the 3rd annual Senior Moments Resource Fair, under the auspices of the Human Services Coalition Elderly and Disabled Task Group. Participant feedback was excellent, with 93% of the respondents reporting that they increased their knowledge about resources for seniors and caregivers.
- Distributed a record number of Farmer’s Market coupons totaling over $18,000 to eligible seniors, enabling them to purchase fresh food from local farmer’s markets.
- Added a part-time Volunteer Coordinator to our senior nutrition program, increasing the quality of volunteer management and gradually increasing our volunteer pool.
- Continued the capacity-building of the NYConnects intake and options counseling services by filling two vacant Aging Services Specialists positions and focusing on training, case review and interagency collaboration via the Long Term Care Council and No Wrong Door Implementation Team.
- Served over 4,200 clients.

2019 Goals:

- Continue to increase community knowledge about aging issues and services by:
  - Building on the momentum of the annual Senior Moments Resource Fair as evidenced by increased attendance for 2019
  - Increasing the number of community presentations on topics of interest to seniors to at least 12/year.
  - Improving the functionality of the agency website
- Complete the four-year comprehensive Office for the Aging plan for years 2020-2024 using agency statistics, Advisory Committee input needs assessment and demographic data.
- Increase the number of volunteers in the Senior Nutrition Program.
- House all OFA staff in one location.
- Improve NYConnects ability to navigate systems and advocate for client needs through continued training and interagency collaboration leading to expanded staff knowledge of services, programs, and eligibility criteria.
2018 Accomplishments:

- LEAN project to reduce permanency timelines
- CPS organizational realignment
- Title IV-E focus/audits/tracking
- Raise the Age and juvenile justice reform efforts
- Increase in relative placements for neglect cases
- 2nd/3rd floor move to align and improve processes
- Manage organizational operations while dealing with several vacancies
- Beginning a serious effort at preparing and training the next leaders/supervisors
- Formalizing staff development/training under designated staff

2019 Goals:

- Better integrate foster care work with FAST
- Juvenile Justice reform: access to services, shortened residential stays/accelerated aftercare/reunification
- Continue CPS organizational realignment
- Bring all departmental legal services into the department
- Focus on foster care family recruitment/identifying family resources
- Operationalize housing inspections
- Try and bring a regional focus to DSS work much as we do with MH work
- Continue RTA planning
2018 Accomplishments:

• As lead agency, implemented a multi-year $30,000.00 Safe Harbour contract addressing child trafficking.
• Participated in a number of community boards, i.e. Partnership for Results, Runaway/Homeless Youth, Workforce Investment Board, and BOCES Consultant Committee.
• Secured $68,994.00 for youth development delinquency prevention services.
• Participated in 18 meetings with Cayuga County Family Court’s Alternative to Placement.
• Coordinated the 2018 annual Student Government Day with approximately 142 students and advisors participating.
• Implemented the Quality Youth Development System (QYDS) for applications and vouchering of contracts.
• Coordinated the review and selection of the 2018 CSEA Scholarship Awards.

2019 Goals:

• Adjust funding for staff to better reflect the proportion of time spent on Youth Bureau.
• Implementation of the Youth Development Funding model.
• Develop and foster the growth of the Cayuga County Youth Bureau utilizing government and community resources. This includes managing all phases of Youth Bureau programs including planning, organizing, staffing, and leading the Youth Bureau in meeting its objectives.
• Interpret and implement policies and procedures required or recommended by the State of New York and the County of Cayuga.
• Compile data and prepare reports regarding economic, psychological and sociological conditions of Cayuga County's youth population.
• Coordinate with the local school districts an annual program to provide student government activities and participation with all departments of county government, the community college, and the County Legislature.
• Enhance the system of monitoring and evaluating city and countywide prevention programs.
• Prepare an annual budget to the New York State Office of Children and Family Services as well as to the Cayuga County Legislature. Compile budget data for various grant initiatives and analyze complex financial and statistical reports.
• Direct and coordinate the preparation of Cayuga County’s Child and Family Services Plan in collaboration with the Cayuga County Department of Health and Human Services.
• Develop an evaluation and monitoring program model for all programs utilizing State and County local assistance prevention funds.
• Support juvenile justice transformation by supporting Raise the Age.
